

Cosmic Facial Rejuvenation with Dana Salvador

It's more than the ultimate in natural anti-aging, it's an entirely new way to slow the effects of aging.

It's a whole body battery recharge for all 10 trillion of your cells.

Dana Salvador offers you her signature treatment, Cosmic Facial Rejuvenation. CFR employs advanced technology Photon Light therapy and PEMF, Pulsed Electromagnetic Frequency.

These frequencies effectively pass through your body's tissues and cells for deep healing. This will result in anti-aging and give your body more resilience, energy, vitality and overall well-being.

Thousands of people have benefited in profound ways. The body is self-healing, self-regulating and self-regenerating. When given the proper energy and elements needed for sustaining life. These treatments can help anyone improve the quality of their life by jump starting the body's own natural healing processes.

I invite you to experience it for yourself by scheduling a session with me.

As the creator of cosmic facial rejuvenation and founder of light cosmetics, I bring extensive knowledge in aesthetics and energy in addition to providing personalized treatments and exclusive products.

Licensed Cosmetologist, Certified Yoga Instructor, Trained Massage Therapist, and a practitioner of Reiki, Aromatherapy, Kinesiology, Light and Sound healing with Tuning Forks, Crystals and PEMF.

I look forward to working with you.
