The All New WIZARD OF **OZ** ON ICE

THE STORY

Step into a mesmerizing world where fantasy meets frost in "Wizard of Oz On Ice," the latest enchanting production from Ice Creative Entertainment. From the same visionary producers who brought you spellbinding spectacles such as "Peter Pan On Ice," "Cinderella On Ice," and "Beauty & The Beast On Ice," comes an all-new rendition of the beloved classic tale that will leave audiences of all ages spellbound.

Set upon a normal stage transformed with Ice Creative Entertainment's world-renowned synthetic ice surface, "Wizard of Oz On Ice" takes the audience on a thrilling journey through the magical land of Oz like never before. Watch as Dorothy and her companions glide effortlessly across the ice, weaving through stunning sets and dazzling special effects that bring the beloved story to life in breathtaking detail.

From the moment the curtain rises, audiences are transported to the whimsical world of Oz, where they'll encounter familiar characters like the Scarecrow, Tin Man, and Cowardly Lion, each brought to life with captivating choreography and dazzling costumes. But the magic doesn't stop there - "Wizard of Oz On Ice" is an interactive experience like no other, inviting audience members to join in the adventure and become part of the spectacle themselves.

Logistics

Introducing our cutting-edge synthetic ice, a revolution in ice technology that brings the thrill of a real ice rink to any space with the ease of assembly and performance, you won't believe. Installing our synthetic ice is a breeze, taking just 1 hour – a simple puzzle that effortlessly fits together. The result? A surface that glides seamlessly like traditional refrigerated ice and boasts an authentic look that will leave your audience questioning its synthetic nature. Our innovative solution guarantees a smooth, ice-like experience that rivals the performance on refrigerated ice, providing an unparalleled experience for skating enthusiasts and event organizers alike. Transform any environment into an ice-skating haven with our synthetic ice, where the magic of skating is only a puzzle away.

We also perform on refrigerated ice surfaces.
