The lyrics are in Afrikaans. The first line of music covers the first six measures, and the second line, starting with a measure rest, covers the next six measures. The score ends with a double bar line.

Vertrous my volk!
Die Dagbreek is naby!
Die onbegrepe lyding,
die sugte om bevryding
is straks verby!

Vertrous my volk!
Verlossing is naby!
Die môrester verskyn al,
die donk're nag verdwyn al.
Straks is ons vry!
