**all the benefits of SAFETY FILM while...
providing a more comfortable viewing experience.**

increase safety

improve visual comfort

3M Ultra Prestige Window Film

...lets in the light while selectively rejecting harmful UV and infrared rays.

...reduces glare and hotspots which cause eye fatigue.

...your world in its best light.

3M Ultra Prestige Window Film

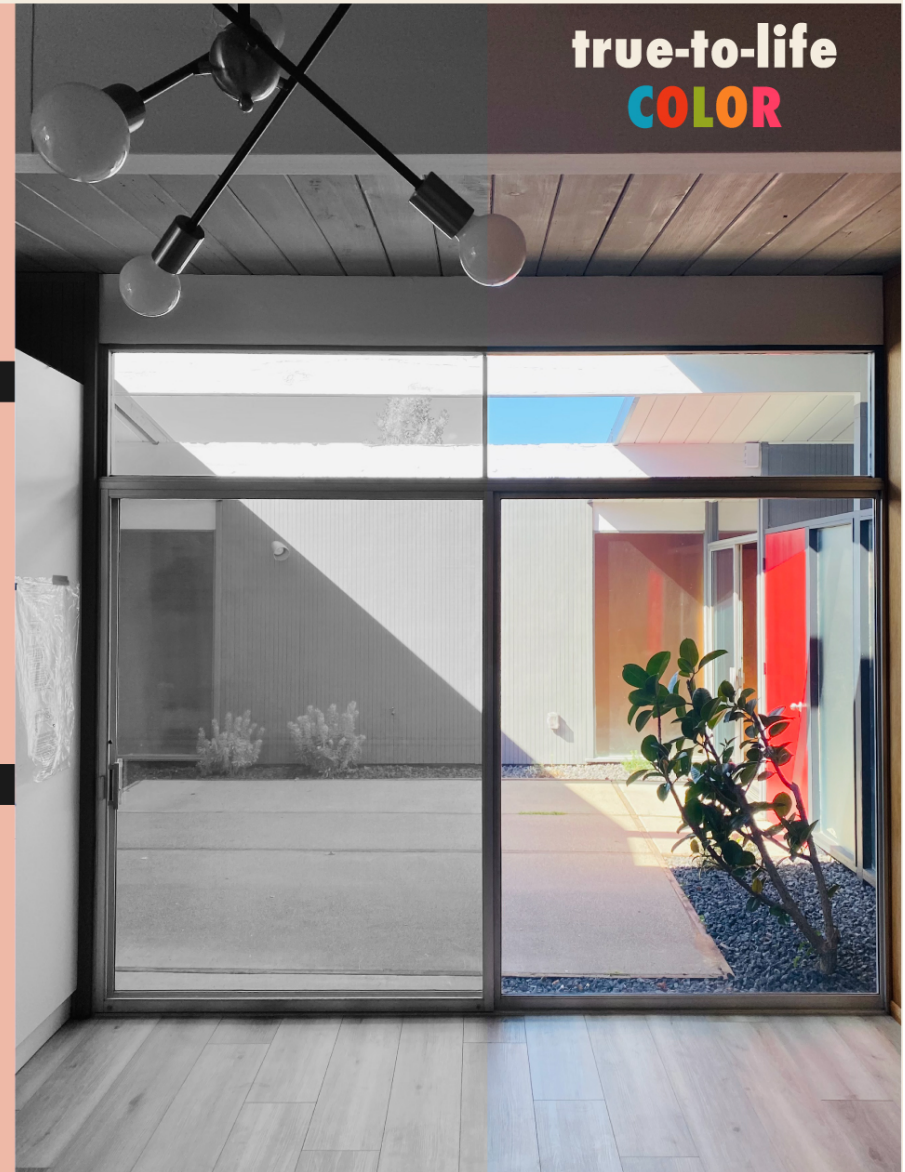

...enhances color contrast and vibrancy
revealing the world in its truest form.

it's energy efficient

by controlling the rays of the sun,
you use less energy

it's sustainable

by upgrading your existing windows,
you're keeping them out of the landfill

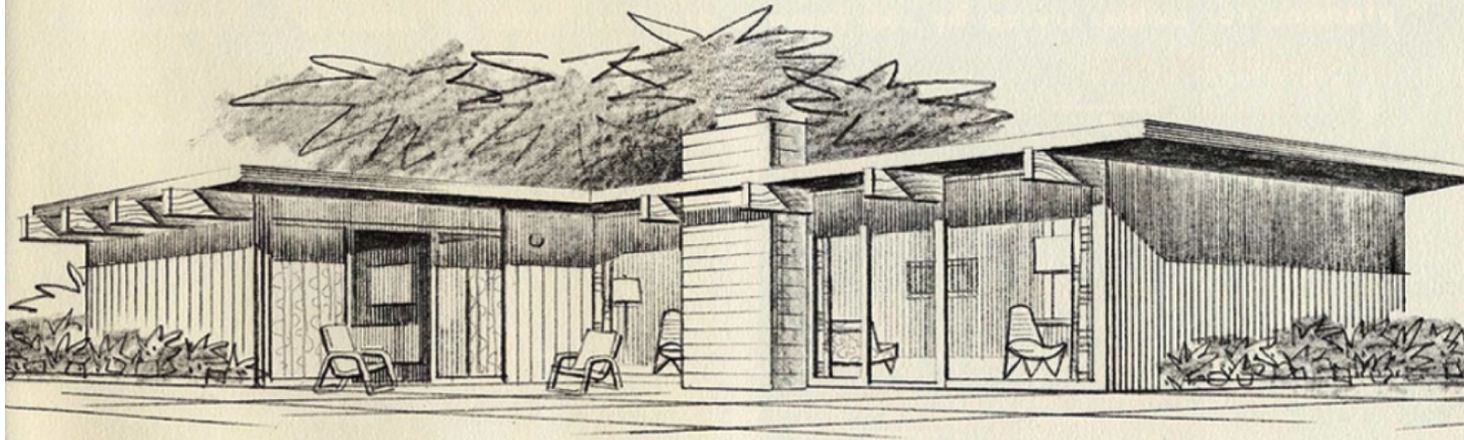

preserving Eichler aesthetics

In a house which depends as heavily on glass for beauty and livability as does an Eichler home, the quality of SAFETY FILM and the skill with which it is installed are extremely important.
