

Carleton Place Canoe Club Volunteer Policy 2020

All full summer Carleton Place Canoe Club program members will be required to submit a volunteer cheque, or credit/debit deposit in the amount of \$100. A cheque/deposit must be submitted at time of registration, or dropped off to the canoe club office/mailbox by April 17th of the program year.

Each member family is required to complete a minimum of 10 volunteer hours (per family) before August 31st of the year of programming. Upon completion of these hours, the CPCC will either return the \$100 deposit, or destroy the volunteer cheque associated with the appropriate member account.

Volunteer hours can be completed through the following types of events/tasks:

- CPCC Home Regatta
- Various EOD Regattas (safety boat, line judge, official, etc.)
- Club clean-ups
- Equipment repairs or maintenance
- Club hosted events (social, fundraising, etc.)
- Volunteer board of directors
- Errands (gas for motors, trailer maintenance, etc.)

Volunteer sign-up opportunities will be posted on the CPCC website in early Spring.

Members can also opt-out of volunteering by submitting \$100 payment in full a minimum of two weeks prior to program start date.
