Play 9 Holes

PAR Golf Scoring Par Golf allows you to build confidence first while learning to play a difficult game. This class is for beginner players and experienced players learning what it takes to shot PAR at golf. If you do not make 4 or better consistently, then this can help you. We start form 25 yards away from the putting green on each hole. The goal is to try and 3 consecutive 4's in a row, or 12 or better on 3 holes. Once you achieve that, you move back to 50 yards from the green, then 75, 100, 150 and 200.

Class size is limited to 4 people, we play 9 holes, cost is \$30, includes all fees. Please select the class you wish to participate in:
