GL LED LED 50 Flood Plant Grow light

GL-FLPG-50WF

Specification

Input Voltage: AC90-130V.

Material: Aluminum

Shape: Single head

Light Color: Full Spectrum

LED Type: COB

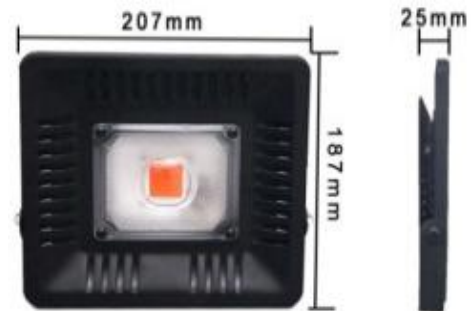

Waterproof: IP65

LED Wavelength: 300-830nm

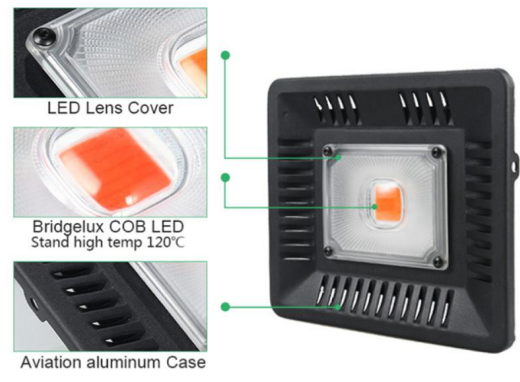

Power: 50W ,US Plug

Beam Angle: 120°

Rotate Angle: 180°

PRODUCT DETAILS DISPLAY

Features

-**Full spectrum plant flood light.** New LED COB full spectrum Plant Grow Light with LED chip, service life up to 50,000 hours.

- **Installation method optional.** You can choose flexibly according to the actual conditions: wall mounting, pedestal mounting, ceiling mounting, hang in the air. It is recommended that the lamp installation height keep above 50cm from plant.

Advantage

Promote growth

Increase color

Increase production

Prevent excessive growth

Strong grow

Pest control

Better growth lights than sunshine !
