117 **2. TITLING INSTRUCTIONS FROM BUYER; ASSIGNMENT:** Not later than 15 days prior to the Closing Date, BUYER shall deliver to SELLER
118 the name(s), address, manner in which title will be taken, and a copy of any assignment executed by BUYER. No assignment shall release
119 BUYER from the obligations of this Contract unless SELLER consents in writing to such release.

120 **3. TAX DEFERRED EXCHANGE:** If either party intends to treat this transaction as a tax-deferred exchange under I.R.C. Section 1031, the
121 other party shall cooperate in accomplishing the exchange, and consents to the assignment of this Contract to a qualified exchange intermediary

123 **STANDARD B—TITLE EVIDENCE; EXAMINATION; DEFECTS; LEGAL ACCESS; CLEARANCE.** Not later than 10 days after the Effective
124 Date, SELLER shall furnish to BUYER any SELLER's owner's title insurance policy in Seller's possession. BUYER shall have 30 days after the

126 on the Property having legal access to and from a public right of way sufficient for residential use. If title is found defective or legal access is
127 found to be lacking, BUYER shall, within the Examination Period, notify SELLER specifying the title defect(s) or lack of legal access, and furnish
128 copies of the title evidence and instruments evidencing such title defect(s) or lack of legal access. If the title defect(s) render(s) title unmarketable,
129 or if SELLER cannot deliver possession, or if there is no legal access, SELLER shall have 30 days after receipt of said notice and copies from
130 BUYER (the "Clearance Period") to clear or remove such title defect(s), deliver possession, and/or provide legal access, at SELLER's expense.
131 SELLER will use diligent effort to correct the title defect(s), deliver possession, and/or provide legal access within the Clearance Period, including

the bringing of necessary suits. If the Closing Date is prior to the expiration of the Clearance Period, then the Closing Date shall be extended until the earlier of (i) 5 days after SELLER corrects the title defect(s), delivers possession, and/or provides legal access or (ii) 5 days after the expiration of the Clearance Period. SELLER shall not be liable to BUYER for damages if SELLER cannot render title marketable, deliver possession and/or provide legal access. If SELLER does not clear or remove the title defect(s), deliver possession or provide legal access within the Clearance Period, BUYER may elect either to accept such title, possession, and/or access as SELLER can provide or to terminate this Contract by giving SELLER notice of such election not later than 5 days after expiration of the Clearance Period. If BUYER makes no such election, BUYER shall be deemed to have accepted such title, possession and access as SELLER can provide and close within the later of (i) 10 days after expiration of the Clearance Period or (ii) the Closing Date. A monetary lien upon the Property shall not constitute a title defect if said lien can be paid and satisfied from SELLER's proceeds at closing.

BUYER may, at BUYER's expense, have the Property surveyed not later than 5 days prior to the Closing Date ("Survey Period"). If the survey, as certified by a registered Florida surveyor, correctly shows: (a) an encroachment onto the Property; (b) that an improvement located on the Property projects onto lands of others; (c) an improvement on the Property or the Real Property violates a zoning, building or other governmental use restriction; (d) an improvement on the Property violates any recorded covenant or restriction, or any covenant of this Contract; (e) the Real Property does not meet the applicable development standards of the local government having jurisdiction over the Real Property (and is not otherwise deemed legally non-conforming) or (f) lack of legal access (collectively "Survey Objections"), BUYER may, within the Survey Period, notify SELLER of the Survey Objections and shall furnish a copy of the survey. The Survey Objections shall be treated as a title defect(s). If BUYER fails to obtain a survey within the Survey Period, BUYER waives any right to object to any matters which might have been shown on a survey. If BUYER fails to make any Survey Objections within the Survey Period, BUYER waives any Survey Objections.

2. COASTAL CONSTRUCTION CONTROL LINE: (a) If any portion of the Property lies seaward of the Coastal Construction Control Line, Florida law requires the following disclosure: The property being purchased may be subject to coastal erosion and to federal, state or local regulations that govern coastal property, including the delineation of the coastal construction control line, rigid coastal protection structures, beach nourishment, and the protection of marine turtles. STANDARD D—DISCLOSURES; INSPECTIONS AND REMEDIES; ELECTION AND RESPONSE; SELLER'S MAINTENANCE OBLIGATION; WALK-THROUGH INSPECTION; RISK OF LOSS.

1. DISCLOSURES

A. SELLER DISCLOSURES: Except as disclosed to and acknowledged by BUYER prior to BUYER's execution of any offer (or counteroffer, as applicable):

1. GENERAL: SELLER knows of no facts or conditions materially affecting the value of the Property, except those which are readily observable by BUYER.

2. WETLANDS; SUITABILITY: SELLER does not know of any portion of the Property having been determined to be wetlands, or of any other condition or circumstance adversely affecting the Property which might impair its suitability for residential use or construction.

4. ZONING: SELLER has not commenced any proceedings to change the current zoning classification of the Property, nor will SELLER initiate any such proceedings. SELLER has not received notice from any third party(ies) of any proceedings which would affect the current zoning classification of the Property. Should SELLER receive any such notice, SELLER will promptly notify BUYER of same, and in that event, BUYER may terminate this Contract by giving SELLER notice of said termination not later than 5 days after receipt of said notice.

5. PAST INSURANCE CLAIMS: SELLER is unaware of any past insurance claims on the Property which would increase the cost or restrict the availability of insurance coverage for the Property.

191 3. **MOLD:** In Florida, mold is commonly found both indoors and outdoors. Interior infestation by certain mold may
192 cause property damage and health problems for some persons.

193 4. **PROPERTY TAX DISCLOSURE:** BUYER should not rely on the SELLER's current property taxes as the amount
194 of property taxes that BUYER may be obligated to pay in the year subsequent to purchase. A change of ownership or property improvements
195 triggers reassessments of the property that could result in higher property taxes. If you have any questions concerning valuation, contact the
196 county property appraiser's office for information.

197 C. **ADVISEMENTS AND ACKNOWLEDGMENTS:**

198 1. **INSURANCE AVAILABILTY AND COST:** Prior to signing this Contract, BUYER is advised to consult with

203 3. **MANDATORY/BUNDLED CLUB MEMBERSHIP:** The Property is or may be located in a community with a
204 mandatory or bundled club membership, and BUYER may be required to pay certain initiation and other fees, dues and/or use charges imposed
205 by the club. If BUYER has questions or requires additional information pertaining to applicable club requirements and/or fees, dues and charges,
206 BUYER should contact said club.

207 4. **COMMUNITY INVESTIGATION:** BUYER is advised that any Association documents received by BUYER may not
208 include important information about the community(ies) where the Property is located, including without limitation ambient noise levels, pending
209 foreclosures, types and amounts of insurance coverage, current budget and reserve amounts, and status of delinquent assessments; ownership,
210 financial and membership status of private clubs, golf course(s), marina(s), and other amenities; the status of the developer(s) if the community
211 or any portion thereof is developer-controlled; and facts about the surrounding community(ies), school districts and public and government
212 infrastructure plans. SELLER by signing this Contract designates BUYER as SELLER's representative for purposes of obtaining said information.

213 5. **ENERGY EFFICIENCY:** BUYER acknowledges receipt of the Department of Community Affairs brochure on the
214 Florida Building Energy Efficiency Rating System.

215 6. **FIRE SPRINKLER/SAFETY SYSTEM RETROFIT:** If the Property is located in a condominium or cooperative

217 district fire marshal, BUYER may terminate this Contract within the statutory rescission period set forth in Standard I.

224 Property, BUYER's changes may be subject to FEMA regulations limiting improvements to 50% of the value of the existing structure. The
225 substantial improvement requirement applies to any reconstruction, rehabilitation, addition, or other improvement of an existing structure if the
226 lowest living floor elevation is below the Base Flood Elevation as shown on the Flood Insurance Rate Map (FIRM) plus 1 foot AND the cost of
227 the work equals or exceeds 50% of the market value of the structure before the start of construction. It is recommended that BUYER contact the
228 floodplain coordinator at the applicable local government with permitting jurisdiction for further information.

229 2. **INSPECTIONS:**

230 a. **INSPECTION PERIOD; INSPECTION ITEMS:** BUYER shall have ____ days [15 days if left blank] after the Effective Date (the

240 improvements, or existing violations of local ordinances or codes (collectively the "Inspection Items").

241 All inspections shall be non-invasive and shall not entail any perforation or removal of structural material unless approved in advance by
242 SELLER. Upon reasonable notice, SELLER shall provide access and utilities service to the Property to facilitate the inspections. BUYER shall
243 repair any and all damage to the Property, Personal Property and Systems and Equipment resulting from or caused by the inspections and shall
244 otherwise return the Property, Personal Property and Systems and Equipment to their condition prior to the inspections. BUYER will indemnify

and hold SELLER harmless from and against all losses, damages, costs, claims and expenses of any nature, including attorney fees (collectively "Losses"), and from and against any liability to any person arising from, out of or in connection with the inspections, except as to Losses resulting from negligence or intentional acts or omissions of SELLER.

b. DEFECTIVE INSPECTION ITEMS; BUYER'S ELECTION AND SELLER'S RESPONSE: Except as to any Defective Inspection Items disclosed to and acknowledged by BUYER prior to BUYER's execution of any offer (or counteroffer, as applicable), if any inspection conducted during the Inspection Period reveals the following (collectively, the "Defective Inspection Items"): (1) that any Systems and Equipment are not in Working Condition, and/or (2) the presence of radon gas at a level at or above EPA action levels (4.0 picocuries per litre of air), and/or (3) the presence of lead-based paint or lead-based paint hazards requiring abatement under HUD/EPA protocols, and/or (4) the existence of active infestation by termites or other wood-destroying organisms and/or visible damage caused by active or past infestation, and/or (5) the presence of toxic or pathogenic molds within the interior of the dwelling(s) exceeding the levels of such molds measured upon the exterior of the dwelling (penicillium aspergillus and other allergenic molds exceeding the levels of such molds measured upon the exterior of the dwelling shall not be deemed a Defective Inspection Item for purposes of this Contract), and/or (6) any void, expired, issued, open, under review or other building permits which have not been finalized, completed, issued a certificate of occupancy or completion or otherwise resolved without necessity of further action as documented by the applicable governmental agency (collectively "Open Permits"), or any unlawful non-conforming structures, or any unpermitted improvements, or existing violations of local ordinances or codes, and if BUYER elects recourse from SELLER for any Defective Inspection Item(s), BUYER shall, not later than 5 days after expiration of the Inspection Period ("BUYER's Election Deadline"): (a) notify SELLER of any Defective Inspection Items, and (b) furnish to SELLER a complete copy of the inspection report(s) documenting the Defective Inspection Items, and (c) notify SELLER of BUYER's election either to: (i) have SELLER, at SELLER's expense, make or cause any repairs, replacements, treatment, mitigation or other remedial action necessary to bring the Defective Inspection Items into compliance with the relevant standards herein (the "Remedial Action"); (ii) receive a credit from SELLER at closing in lieu of Remedial Action; or (iii) a combination of (i) and (ii) (either (i), (ii) or (iii) being referred to as "Buyer's Election"). If BUYER elects to receive a credit, the amount of the credit shall be stated at the time of the BUYER's Election, and be equivalent to the estimated costs of the Remedial Action, as evidenced by written estimates/proposals issued to BUYER by parties appropriately licensed to perform said Remedial Action. If BUYER makes no election, BUYER shall be deemed to have accepted the Property and Systems and Equipment in the condition they existed on the Effective Date, subject to the provisions of Standard D.2.d. If SELLER refuses or counters BUYER's Election with respect to any Defective Inspection Item(s) by the SELLER's Response Deadline, then BUYER may terminate this Contract not later than 5 days after receipt of SELLER's Response. If SELLER refuses BUYER's election with respect to any Defective Inspection Item(s) by SELLER's Response Deadline and BUYER does not elect to terminate this Contract, BUYER is deemed to have accepted the Property and Systems and Equipment in the condition they existed on the Effective Date, except that BUYER retains the walk-through inspection rights set forth in Standard D.2.d.(2),(3), and (4) below. Notwithstanding the foregoing, if SELLER counters BUYER's Election with respect to any Defective Inspection Item(s) and BUYER does not timely elect to terminate this Contract, BUYER is deemed to have accepted SELLER's Response to BUYER's Election. If SELLER fails to respond by the SELLER's Response Deadline, SELLER shall be deemed to have refused BUYER's Election with respect to any Defective Inspection Item(s), and BUYER may terminate this Contract not later than 5 days after the SELLER's Response Deadline.

Notwithstanding the deadlines stated in this Standard D.2, if BUYER or BUYER's designated representative conducts a permit search of the records from the governmental agency with permitting jurisdiction over the Property within five (5) days of the Effective Date and the permit search results are not obtained within the Inspection Period, the time period for the BUYER's Election with respect to any Open Permits ("Permit Election") is hereby extended to five (5) days after BUYER's receipt of the permit search. In such case, the SELLER's Response Deadline with respect to BUYER's Permit Election is extended to ten (10) days after receipt of BUYER's Permit Election. All other rights and obligations of the parties with respect to Open Permits under this Standard D.2 shall apply. Nothing in this paragraph shall extend the Closing Date.

If any Remedial Action requested by BUYER requires the approval of any Association governing the Property, and SELLER fails to furnish BUYER with written documentation of said Association's approval not later than 5 days prior to the Closing Date, BUYER may terminate this Contract.

If BUYER does not have the Inspection Items inspected, or fails to do so within the Inspection Period, or fails to timely report any Defective Inspection Items to SELLER, BUYER shall be deemed to have accepted the Property and Systems and Equipment in the condition they existed on the Effective Date, except that BUYER retains the rights set forth in Standard D.2.d.(2), (3), and (4) below.

Remedial Action shall be deemed to have been properly performed when (1) the Systems and Equipment are placed in Working Condition, (2) radon gas within the residence on the Property is reduced to below EPA action levels, (3) lead-based paint and paint hazards on the Property are removed or contained in accordance with HUD/EPA guidelines, (4) any active infestation of termites or other wood-destroying organisms is exterminated or treated, and all visible damage caused by active or past infestation is repaired or replaced; and (5) toxic or pathogenic molds are no longer present within the dwelling(s) at levels exceeding those measured upon the exterior of the dwelling, and (6) written documentation is provided from the appropriate government authority evidencing that all Open Permits have been closed out and/or all structures lawfully exist on the Property and/or all unpermitted improvements to the Property have now been properly permitted and said permits closed out and all violations of local ordinances and codes are corrected. SELLER shall make a diligent effort to perform and complete all Remedial Action prior to the Closing Date, failing which a sum equivalent to 200% of the estimated costs of completing the Remedial Action, as

shown in the written proposal(s) and without regard to any deposit prepaid by SELLER for said Remedial Action, shall be paid by SELLER into escrow at closing pending SELLER's completion of the Remedial Action. The escrow sum is not a cap on SELLER's liability for completion of the Remedial Action.

Systems and Equipment shall be deemed to be in Working Condition if operating in the manner designed to operate. The roof, ceiling, interior and exterior doors and walls, foundation, swimming pool, spa and pool/spa deck(s) shall be in Working Condition if structurally sound, watertight and free from wood rot. Seawalls, docks, and pool/lanai enclosure(s) shall be in Working Condition if structurally sound. SELLER shall not be obligated to take Remedial Action or grant a credit in lieu of Remedial Action with regard to any Cosmetic Condition, which is defined as an aesthetic imperfection which does not affect the Working Condition of the item, including corrosion; tears; worn spots; discoloration of floor covering or wallpaper or window treatments; missing or torn screens; nail holes; scratches; dents; chips; caulking; pitted pool surfaces; minor cracks in windows, driveways, sidewalks, pool/spa decks and garage, tile, lanai and patio floors; and cracked roof tiles, curling or worn shingles and limited roof life, so long as there is no evidence of structural damage or leakage.

No cost to repair or replace any Systems and Equipment item shall exceed the fair market value of that item if it were in Working Condition.

c. SELLER'S MAINTENANCE OBLIGATION: SELLER shall maintain the Property (which for reference includes the Landscaping and Systems and Equipment) and Personal Property in the condition existing on the Effective Date until the Closing Date or date of possession, whichever is earlier, except for ordinary wear and tear and any Remedial Action agreed to by SELLER under Standard D.2.b. above (collectively, "SELLER's Maintenance Obligation"). The scope of SELLER's Maintenance Obligation shall not include or extend to any item for which SELLER has no maintenance, repair or replacement obligation under the governing documents of any applicable Association. Whether existing prior to or after the Effective Date, SELLER's Maintenance Obligation shall include curing any and all violations documented by the Association(s) against the Property prior to the Closing Date. If SELLER fails to perform SELLER's Maintenance Obligation as required in this Standard, SELLER shall, at BUYER's request, either (i) perform appropriate repair, replacement, treatment mitigation or other remedial action necessary to comply with Seller's Maintenance Obligation with respect to the Property and/or repair or replace the Personal Property to the condition required by this Standard prior to the Closing Date (collectively, "Maintenance Obligation Remedial Action"), or (ii) provide a credit acceptable to BUYER at closing equivalent to the estimated cost of the Maintenance Obligation Remedial Action required by this Standard. If SELLER is obligated to perform the Maintenance Obligation Remedial Action and fails to do so prior to the Closing Date and the parties are unable to agree upon a credit amount, SELLER shall escrow at closing a sum equivalent to 200% of the estimated costs for: (A) payment to appropriately licensed contractor(s) performing the Maintenance Obligation Remedial Action; and, (B) post-closing fines levied by the Association providing the notice of violation. The escrow sum is not a cap on SELLER's liability for completion of the Maintenance Obligation Remedial Action.

d. WALK-THROUGH INSPECTION: BUYER (or a designated representative) may conduct a walk-through inspection of the Property prior to closing or possession, whichever is earlier, to confirm: (1) completion of any Remedial Action agreed to by SELLER in Standard D.2.b. above, (2) that the items being conveyed as part of this Contract remain on the Property, (3) that the items which are not being conveyed as part of this Contract have been removed from the Property, and (4) that SELLER has performed SELLER's Maintenance Obligation and, if applicable, any Maintenance Obligation Remedial Action as required in Standard D.2.c above. Upon reasonable notice, SELLER shall provide access and utilities service to the Property to facilitate the walk-through inspection.

e. RISK OF LOSS; CASUALTY; INSURANCE AND SERVICES ESSENTIAL FOR CLOSING; LIMITED PURPOSE INSPECTION RIGHTS; EXTREME WEATHER CONDITION:

(i) **RISK OF LOSS.** Any loss or damage to the Property (which for reference includes the Landscaping and Systems and Equipment) or Personal Property caused by fire, flood, extreme weather conditions or other casualty occurring between the Effective Date of this Contract and the Closing Date or date of possession, whichever is earlier ("Casualty"), shall be at SELLER's sole risk and expense. SELLER shall maintain all existing casualty, wind, hurricane and flood insurance until disbursement.

(ii) **AVAILABILITY OF INSURANCE AND SERVICES ESSENTIAL FOR CLOSING.** If, as a result of the Casualty, BUYER is unable to obtain hazard, flood, wind or homeowner's insurance or is unable to obtain such insurance at a reasonable rate and/or if services essential for closing are not available by the Closing Date as a result of the Casualty, BUYER may delay the Closing Date until a date that is up to 5 days after said coverage becomes available and services essential for closing are restored. If said coverage is not available and/or said essential services are not restored for a period of 30 continuous days after the Casualty date, either SELLER or BUYER may terminate this Contract not later than 35 days after the Casualty date.

(iii) **PROPERTY RENDERED UNINSURABLE OR UNFIT FOR HABITATION.** If any such Casualty loss or damage renders the Property on the Closing Date either: (1) uninsurable under the residential underwriting guidelines of the Citizens Property Insurance Corporation, as documented in a letter from SELLER's or BUYER's insurance agent or underwriter; or (2) unfit for habitation under state or local building codes; as documented in a letter issued by the governmental agency having jurisdiction over said matters pertaining to the Property, then either BUYER or SELLER may terminate this Contract not later than 5 days after receipt of said documentation.

(iv) **LANDSCAPING.** Notwithstanding the provisions of Standard D.2.c or Standard D.2.e(i), if any loss or damage to the Landscaping is caused by a Casualty or other event beyond SELLER's control, SELLER's financial obligation for restoration of the Landscaping to the condition it existed on the Effective Date (to the extent reasonably practicable based on availability of substantially equivalent replacement Landscaping) shall not exceed 1% of the purchase price.

(v) **BUYER LIMITED PURPOSE POST-CASUALTY INSPECTION RIGHTS.** Not later than 5 days after SELLER notifies BUYER that safe access to the Property is available following a Casualty, BUYER and/or BUYER's designated representative(s) may conduct an inspection of the Property (in addition to any walk-through inspection that BUYER may have conducted prior to the Casualty and/or is entitled to prior to closing), for the limited purpose of identifying any loss or damage to the Property, the Personal Property and Systems and Equipment

363 as a result of the Casualty ("Post-Casualty Inspection"). SELLER shall provide access and utilities service to the Property to the greatest extent
364 possible based on the availability of such service to facilitate the Post-Casualty Inspection.

365 (vi) **EXTREME WEATHER CONDITION:** If, due to a pending or threatened hurricane, tropical storm, or other extreme weather
366 condition, BUYER is unable to obtain hazard, flood, wind or homeowners/casualty insurance coverage at a reasonable rate for closing, or if
367 services essential for closing are not available, BUYER or SELLER may delay the Closing Date until a date that is not more than 5 days after
368 insurance coverage becomes available and/or services essential for closing are restored. If such insurance coverage and/or services essential
369 for closing remain unavailable for a period of 30 continuous days, then either SELLER or BUYER may terminate the Contract not later than 35
370 days after such extreme weather condition rendered insurance and/or services essential for closing unavailable.

371 **STANDARD E—SELLER'S INSTRUMENTS AND EXPENSES.** SELLER shall pay for and provide, when applicable: (1) the title evidence; (2) if
372 the Property is located in Lee or Charlotte County, the premium for the owner's title insurance policy issued by the closing agent selected by
373 BUYER, and the charges for title search and title continuation through the date of deed recording; (3) preparation of statutory warranty deed
374 (or special warranty deed if SELLER is a fiduciary), bill of sale with warranties of ownership and freedom from encumbrances, Association
375 estoppel letter(s), broker compensation verifications; tenant estoppel letter(s), copy(ies) and assignment(s) of lease(s), and an affidavit regarding
376 liens, possession, and withholding under FIRPTA, in a form sufficient to allow "gap" coverage by title insurance; (4) mortgage payoff letter from
377 existing creditor/lender(s); (5) documentary stamp tax on deed; (6) real estate brokerage compensation contractually agreed to by SELLER (to
378 be disbursed by closing agent at closing); (7) utility estoppel fees, outstanding balances due, and utility services to the Closing Date; (8) any
379 Association special assessments and governmentally imposed liens or special assessments which are SELLER's obligation under Paragraph 6,
380 and any and all outstanding balances or fines due to any Association governing the Property; (9) SELLER's attorney fees, (10) if SELLER is
381 subject to withholding under FIRPTA, charges associated with preparing the 8288 and 8288A and/or 8288B withholding certificate application
382 and/or tax return related thereto, and reasonable fees to BUYER's attorney or closing agent for escrow, disbursement and/or remittance of
383 withheld funds; (11) reimbursement of prepaid estoppel fees and other costs advanced on behalf of SELLER; (12) wire fees associated with
384 transfer(s) of SELLER proceeds and payoffs; and (13) assignment of insurance and service contracts which BUYER elects to assume at closing.

385 **STANDARD F—BUYER'S INSTRUMENTS AND EXPENSES.** BUYER shall pay for and provide, when applicable, including any sales tax due
386 thereon: (1) recording fee for deed; (2) all costs of any institutional loan secured by BUYER; (3) the premium for creditor/lender title insurance
387 policy, and if the Property is located in Collier County, the premium for the owner's title insurance policy issued by the closing agent selected by
388 BUYER and the charges for title search, and title continuation through the date of deed recording; (4) recording membership approval; (5) survey
389 charges; (6) Association membership transfer fee; (7) Association resale transfer fee/capital contribution; (8) any pending Association special
390 assessments and governmentally imposed liens or special assessments which are not SELLER's obligation under Paragraph 6; (9) real estate
391 brokerage compensation contractually agreed to by BUYER (to be disbursed by closing agent at closing); (10) BUYER's attorney fees;
392 (11) BUYER shall promptly pay and indemnify and hold SELLER harmless against any claims or liens upon the Property for surveyor or other
393 services furnished to the Property at the request of BUYER; (12) code enforcement/municipal lien search fees; (13) reimbursement of prepaid
394 application fees and other costs advanced on behalf of BUYER; (14) reimbursement to the closing agent of any deposit and closing funds
395 shortages due to deduction of wire fees; and (15) submerged land lease assignment and transfer fees, including any applicable sales tax.

396 **STANDARD G—PRORATIONS; CREDITS.** These items will be prorated as of the Closing Date, with BUYER charged with and entitled to the
397 Closing Date, or the possession date, whichever is earlier: (1) real and personal property taxes based on the current year, if available. If not
398 available, the taxes shall be based on the TRIM "Your Taxes This Year if PROPOSED Budget is Adopted" amount and current year non-ad
399 valorem amount(s), if available; otherwise the prior year non-ad valorem amounts. If neither the current year tax nor TRIM amounts are available,
400 the taxes shall be based on the prior year's bill (without discount or exemptions no longer available in the year of closing). If completed
401 improvements exist on the Property for which a certificate of occupancy was issued as of January 1st of the year of closing, which did not exist
402 on January 1st of the prior year, taxes shall be estimated for proration by applying the current year millage rate to the current year taxable value
403 of the Property. If the current year millage rate is not fixed, the prior year millage rate shall be applied. If the current year taxable value is not
404 fixed, the taxes shall be estimated for proration by applying the most current fixed millage rate to a sum equivalent to 80% of the purchase price.
405 A tax proration based upon any estimated tax shall, at the request of either party, be re-prorated based on the actual tax bill amount with
406 maximum discount; (2) interest on any assumed indebtedness; (3) rents; (4) Association assessments and CDD/MSTU operating and
407 maintenance assessments; (5) county waste assessments; (6) appliance service contracts assumed by BUYER; and (7) propane gas. BUYER
408 shall receive from SELLER at closing a credit equivalent to the amount of any security deposit and prepaid rents held by SELLER, and any
409 accrued interest thereon, or alternatively, ownership or an assignment of the account in which the deposits and prepaid rents, and any accrued
410 interest thereon, are held.

411 **STANDARD H—HOMEOWNERS' ASSOCIATION DISCLOSURE.** If the Property is located within and governed by any mandatory

433 stated right of BUYER to cancel this Contract shall apply to BUYER's receipt of said governance form in the same manner as applies to the other
434 above-referenced condominium documents. BUYER, by its execution of this Contract, hereby requests a current copy of the above referenced
435 condominium documents and Condominium Governance Form.

436 **STANDARD J—ASSOCIATION PROVISIONS; MEMBERSHIP APPROVAL.** Any Association reserve account(s) is included in the purchase
437 price. If Association membership approval is required, BUYER shall, not later than 10 days after the Effective Date, make application for same
438 in the name(s) in which title will be taken, and shall comply with all governing requirements of the Association and be responsible for securing
439 membership approval. If no written approval has been obtained from the applicable Association by the Closing Date, either BUYER or SELLER
440 may terminate this Contract by giving the other party notice of said termination prior to receipt of the approval. BUYER's right to terminate under
441 this Standard J is conditioned upon BUYER timely submitting the application to the Association. SELLER's right to terminate under this Standard
442 J is conditioned upon there not being any violations of the applicable Association's governing documents or any past due balances due to the
443 Association(s). SELLER shall obtain a letter(s) from the Association(s) which sets forth the amounts, periods and payment status of assessments
444 and transfer fees, any open violations, and resale capital assessments and deliver same to the BUYER not later than 15 days prior to the Closing
445 Date. Some condominiums exist upon a leasehold estate or have associated recreational leases which may require the payment of rents, taxes,
446 maintenance, replacement and repair. BUYER takes title subject to any such lease. **IF THE CONDOMINIUM UNIT EXISTS UPON A**

448 **DATE, BUYER MAY TERMINATE THIS SALES CONTRACT BY GIVING SELLER WRITTEN NOTICE OF SAID TERMINATION WITHIN THE**
449 **EXAMINATION PERIOD DEFINED IN STANDARD B.** SELLER will assign its sublease to BUYER at closing.

450 **STANDARD K—MORTGAGE CREDITOR/LENDER POLICIES.** If BUYER elected to obtain mortgage financing under Paragraph 4.B., the
451 policies of the creditor/lender shall prevail as to the procedures for closing and disbursement of mortgage loan proceeds.

452 **STANDARD L—ESCROW; ESCROW AGENT(S).** The escrow agent who accepts in escrow the deposit(s) paid under this Contract (the "Escrow
453 Agent") shall hold the deposit(s) within the State of Florida in escrow until the earlier of: (1) delivery to another Escrow Agent for closing, who by
454 acceptance agrees to these terms and becomes the Escrow Agent (the Escrow Agent holding the deposit(s) is authorized to so transfer the
455 funds and is relieved of all liability for the funds delivered); (2) delivery of the deed, with payment of the deposit(s) as part of the purchase price
456 of the Property; (3) such time as BUYER may be entitled to return of the deposit(s); or (4) delivery pursuant to written direction of the parties, at
457 which time the Escrow Agent shall pay all of the deposit(s) to the party(ies) entitled thereto. The Escrow Agent shall not be liable for the payment
458 of any interest, damages, attorney fees or court costs in any action brought to recover the deposit(s) held in escrow, or any part thereof, unless
459 the Escrow Agent shall fail or refuse to pay over any such deposit(s) pursuant to a judgment, order or decree that shall be final beyond possibility
460 of appeal. In any proceeding which litigates the disposition of the deposit(s), the Escrow Agent shall be entitled to be paid reasonable attorney
461 fees and court costs, which shall be paid by the non-prevailing party. The Escrow Agent has no duty to collect or attempt to collect any deposit
462 or check given as a deposit, but shall give the parties written notice of: (a) any deposit that is not received not later than 5 days after its due date,
463 and (b) any deposit check that is not paid on presentation, not later than 5 days of learning of its dishonor. If the Escrow Agent is a licensed real
464 estate broker, the Escrow Agent shall comply with the requirements of Chapter 475, Florida Statutes.

465 **STANDARD M—FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT (FIRPTA) WITHHOLDING.** A SELLER who is a U.S. citizen or
466 resident alien and who furnishes BUYER with an affidavit attesting to same, is exempt from FIRPTA withholding. If SELLER is a foreign person
467 or entity, BUYER shall deduct and withhold from the purchase price, or collect from SELLER if the net proceeds are insufficient, 15% of the
468 purchase price (the "Withholding Amount"), and remit same to the Internal Revenue Service (the "IRS") within 10 days after the Closing Date,
469 unless: (1) the purchase price is not more than \$300,000.00 and BUYER executes a sworn certification at closing attesting that BUYER is
470 acquiring the Property for use as a residence; i.e. that BUYER or a member of BUYER's family has definite plans to reside at the Property at
471 least 50% of the number of days the Property is used by any person in each of the first two 12-month periods immediately following the closing,
472 in accordance with the Internal Revenue Code and all applicable regulations (the "BUYER's Residential Use Certification"), in which event the
473 Withholding Amount is \$0; or (2) the purchase price is greater than \$300,000.00 but not more than \$1,000,000.00 and BUYER executes a
474 BUYER's Residential Use Certification, in which event the Withholding Amount is reduced to 10% of the purchase price. If SELLER furnishes to
475 BUYER, not later than the Closing Date, proof of submittal to the IRS of an application for withholding certificate, the closing agent (or other third

476 party mutually designated by SELLER and BUYER) shall hold the applicable Withholding Amount in escrow pending receipt of the withholding
477 certificate, shall remit the sum reflected in the withholding certificate to the IRS within 10 days of receipt of the withholding certificate, and shall
478 promptly refund any remaining balance to SELLER. SELLER shall hold BUYER harmless and indemnify BUYER for not withholding or collecting
479 the applicable Withholding Amount or for withholding and remitting the reduced amount reflected in the withholding certificate. BUYER shall
480 provide to SELLER evidence of remittance of all or any portion of the applicable Withholding Amount to the IRS. The failure of either party to
481 comply or to allow compliance with the requirements of FIRPTA and related regulations shall constitute a breach of this Contract.

482 **STANDARD N—QUICK CLOSING.** Except with respect to the Clearance Period in Standard B or as otherwise set forth in Standard J, if the
483 Closing Date does not allow sufficient time for performances by SELLER and BUYER within the time frames and by the deadlines set forth in
484 this Contract, the parties agree to undertake and complete all performances, inspections, surveys, examinations, delivery of documents, notices,
485 satisfaction of contingencies and all other actions required of or allowed to either party prior to the Closing Date, except that the statutory time
486 period set forth in Standards H and I shall not be affected by this provision.

487 **STANDARD O—DEFAULT AND REMEDIES.** If BUYER does not perform BUYER's obligations hereunder (except as excused by SELLER's
488 default) SELLER may terminate this Contract and all deposits made shall be paid to SELLER as liquidated damages, which shall be SELLER's
489 exclusive remedy. If SELLER does not perform SELLER's obligations hereunder (except as excused by BUYER's default), BUYER may enforce
490 this Contract by a suit for specific performance, damages, or may terminate this Contract.

491 **STANDARD P—LITIGATION; ATTORNEY FEES AND COSTS.** In connection with any litigation concerning this Contract, venue shall be in the
492 county where the Property is located, and the prevailing party shall be entitled to recover reasonable attorney fees and court costs, including on
493 any appeals, from the non-prevailing party. The term "prevailing party" shall include SELLER, BUYER, and any broker acting in an agency or
494 non-agency relationship recognized under Chapter 475, Florida Statutes. For purposes of this Standard, any such broker shall be an intended
495 third-party beneficiary.

496 **STANDARD Q—NOTICES, DISCLOSURES, ACKNOWLEDGMENTS AND DOCUMENTS.** All notices, disclosures and acknowledgments
497 must be in writing and delivered by U.S. Mail, personal delivery, electronic mail, or facsimile transmission. **SMS (TEXT MESSAGE)**
498 **COMMUNICATIONS SHALL NOT CONSTITUTE PROPER NOTICE.** Unless a party is required by law to deliver notices, disclosures,
499 acknowledgments or documents directly to the other party, all notices, disclosures, acknowledgments and documents required or permitted
500 under this Contract shall be effective when given by a party or that party's broker or attorney to the other party or said other party's broker or
501 attorney. Delivery of homeowners' association disclosure or condominium documents required under Standards H and I respectively to BUYER's
502 broker or attorney shall not constitute delivery to the BUYER.

503 **STANDARD R—MISCELLANEOUS.** (1) **The parties have agreed to deal in good faith with respect to all provisions of this Contract.**
504 (2) The singular case or tense shall include the plural case or tense. (3) This Contract may only be modified in writing signed by the parties.
505 (4) Except as otherwise specifically provided, all references to days shall mean calendar days. (5) Except as otherwise specifically provided, all
506 deadlines shall expire at 11:59 PM Eastern Time. Except as otherwise expressly provided by law, if the Closing Date, any deadline or the last
507 day of any time period falls on a Saturday, Sunday, or federal legal holiday, said deadline shall be extended to the following business day. (6)
508 As used herein, the terms "real estate broker" or "broker" shall include all real estate brokers, brokerage corporations or business entities, and
509 their respective licensees involved in this transaction. (7) All title evidence, Association documents and other documents provided to BUYER by
510 or on behalf of SELLER are the property of SELLER until closing and shall be immediately returned to SELLER if this Contract is terminated. (8)
511 Except in the event of BUYER's default and SELLER's termination pursuant to Standard O, if either SELLER or BUYER is permitted to terminate
512 this Contract, said party shall do so by giving notice of said termination to the other party, whereupon all deposits made by BUYER shall be
513 promptly returned to BUYER, this Contract shall be of no further force and effect, and the parties shall have no further liability to one another
514 hereunder except as set forth herein. (9) The headings used in this Contract are for convenience of reference only and shall not be used for
515 interpreting the meaning of any provisions of this Contract. (10) All provisions of this Contract which by their nature or context require
516 performance or provide rights after the Closing Date, including without limitation the provisions of Standard P, shall survive closing.
517 (11) Signatures and initials communicated by electronic or facsimile transmission shall be binding. (12) A facsimile or electronic (including "pdf")
518 copy of this Contract and all related sale documents, and any signatures thereon shall be considered for all purposes as an original. This Contract
519 and all related sale documents may be executed by use of electronic signatures, as determined by Florida's Electronic Signature Act and other
520 applicable laws. (13) This Contract and all related sale documents may be signed in counterparts and said counterparts shall collectively
521 constitute the entire agreement of the parties. (14) Upon reasonable notice, SELLER shall provide access to the Property to appraiser(s) and
522 surveyor(s) retained by BUYER. (15) SELLER and BUYER authorize the closing agent to provide copies of the American Land Title Association
523 (ALTA) and other settlement statements to all parties, brokers and attorneys associated with this transaction; (16) "Association" shall mean all
524 homeowners associations under Chapter 720, F.S., condominium associations under Chapter 718, F.S. or cooperatives under Chapter 719, F.S.
525 which may have authority over the Property.

526 **STANDARD S—FinCEN GTO REPORTING OBLIGATION.** If the closing agent is required to comply with a U.S. Treasury Department's
527 Financial Crimes Enforcement Network ("FinCEN") Geographic Targeting Order ("GTO"), then BUYER shall provide the closing agent with such
528 information and documentation related to BUYER and its Beneficial Owners, including photo identification, which are requested by the closing
529 agent to prepare and submit the FinCEN Currency Transaction Report. BUYER consents to the closing agent's collection and reporting of said
530 information to the IRS.

531 **STANDARD T—NEGOTIATED TERMS; REPRESENTATIONS.** Any and all terms negotiated between the parties must be written into this
532 Contract. BUYER's decision to buy was based upon BUYER's own investigations of the Property. BUYER holds the broker(s) harmless from all

533 liability or loss caused by SELLER's failure to disclose material facts in accordance with this Contract, or SELLER's representations regarding
534 the Property's condition, or from broker's referral, recommendation, or retention of any vendor. The parties agree that assistance to a party by a
535 broker does not, and will not, make the broker responsible for performance.

536 **STANDARD U—BINDING CONTRACT; LEGAL COUNSEL.** THE PARTIES ARE NOT REQUIRED TO USE ANY PARTICULAR FORM OF
537 CONTRACT. TERMS AND CONDITIONS SHOULD BE NEGOTIATED BASED UPON THE RESPECTIVE INTERESTS, OBJECTIVES AND
538 BARGAINING POSITIONS OF THE PARTIES. APPROVAL OF THIS FORM BY THE COLLIER COUNTY BAR ASSOCIATION AND
539 ASSOCIATIONS OF REALTORS DOES NOT CONSTITUTE AN OPINION THAT ANY OF THE TERMS AND CONDITIONS IN THIS
540 CONTRACT SHOULD BE ACCEPTED BY A PARTY IN A PARTICULAR TRANSACTION. THIS IS A LEGALLY BINDING CONTRACT FORM.
541 EACH PARTY ACKNOWLEDGES THAT PRIOR TO SIGNING THE CONTRACT, THE CLOSING EXPENSES HAVE BEEN EXPLAINED, REAL
542 ESTATE TRANSACTION STANDARDS A THROUGH T HAVE BEEN RECEIVED AND REVIEWED, AND THAT PARTY HAS BEEN ADVISED
543 BY THE REAL ESTATE BROKER TO SEEK LEGAL COUNSEL AND TITLE INSURANCE TO PROTECT THAT PARTY'S INTEREST IN
544 CONNECTION WITH THE TITLE STATUS AND CLOSING OF THIS TRANSACTION. BUYER AND SELLER ARE ADVISED TO CONSULT AN
545 APPROPRIATE PROFESSIONAL FOR LEGAL, TAX, PROPERTY CONDITION, ENVIRONMENTAL, AND OTHER SPECIALIZED ADVICE.
546 THIS CONTRACT SHALL BE BINDING UPON AND INURE TO THE BENEFIT OF THE PARTIES HERETO, THEIR HEIRS,
