About Us

- **KRITYAM** , is derived from the sanskrit word '*Krit*' which means to work and '*Yama*' which means to execute; depicts the process of working. Krityam deals in handmade products and focuses to bring out the best from the artisans through our designs.
- We focus on providing innovative solutions in two major and growing markets of India - packaging and home decor(inclusive of kitchenware, tableware and giftware). It does so by amalgamating different materials, techniques and art forms to create unique and quality products. **The agenda behind this venture is to uplift the local artisans by creating awareness about their talent through our products.**
- Krityam Crafts is a Socio-Corporate Design Company which deals in numerous events pertaining to collaborate the global trends to local artisans.
