MEN UNITED IN SONG: RAISE YOUR VOICE FOR ALZHEIMER'S

Fancy a new challenge while supporting a great cause? Welcome to Raise Your Voice for Alzheimer's, a new men's singing project for 2027 supporting Alzheimer's Society. We'd love you to join us!

You'll be supported by a professional music team with years of experience helping men discover their voices and enjoy singing in harmony.

This project is all about the joy of singing together while raising money. We're looking for men like you who are ready to have a go, make friends and enjoy a new challenge.

Whether you've sung in a choir before, sing in the shower or sing along to a favourite track in the car, you're welcome here. Our music team and mentors will support you through nine weeks of learning nine pieces together. Then comes the big moment: performing as part of a choir at a grand concert in Southwell Minster on 7th May 2027, in front of friends and family, while raising money for Alzheimer's Society. It promises to be an experience to remember!

We will invite you to an introductory sign-up session on **23rd February or 2nd March 2027, 7pm to 9pm, at South Notts Academy, off Cropwell Road, Radcliffe on Trent, NG12 2FQ**. Meet the music team and mentors there, find out about the programme and take your first step!

Rehearsals are on Tuesday evenings, 7pm to 9pm, at South Notts Academy, starting on Tuesday 9th March 2027. We'll supply the music and plenty of encouragement—just bring yourself and a willingness to have a go!

Taking part is free of charge, although we'll ask for a £20 voluntary donation to help cover the cost of the music.

Ready to give it a go? If you haven't already registered your interest, scan the QR code or follow the link below. We'd love to welcome you for a shared experience of music and friendship!

You'll find the full rehearsal schedule on the next page. Questions? Visit the frequently asked questions (FAQs) on our website, www.singingmen.co.uk, or get in touch using the details below. We'll be happy to hear from you.
