Description of XC Course & Jumps

All courses are designed to be the same as our recognized courses with possible modifications.

They will include for **Training and Novice**: logs, coops, rolltops, ramps/tables, jumps up hill, jumps downhill, water, down and/or up banks and a ditch.

Elementary through Beginner

Novice courses are very straightforward, introducing horses to

going cross country and requiring riders to go uphill and downhill and jump fences and logs in a very easy manner. Beginner Novice will have water and small banks. If included on course, Ditch on BN course will be **OPTIONAL**

****Elementary & Intro will have the option to jump ditch, small bank and water**
