Hello, to spring!

Important Update on Pricing Effective 1st April

As part of my ongoing commitment to providing exceptional service while also

ensuring the sustainability of the practice, I would like to remind you of the updates to My pricing structure that were previously mentioned in the last newsletter.

Starting from the 1st of April, the following adjustments to my session rates will take effect:

- Standard
Rate:
£60
per
50-
minute
session
- Concession
Rate:
£45
per
50-
minute
session

These changes reflect our dedication to maintaining high-quality service and will enable me to continue offering you the support and guidance you've come to expect. I understand that any change can come with its set of challenges and adjustments, so I want to extend my personal assurance that these new rates have been carefully considered to balance fairness and accessibility for all my clients.

Please do not hesitate to contact me if you have any questions or concerns or if there's anything specific you'd like to discuss. You're welcome to contact me directly on the phone or bring up any matters during your next session. I am here to support you through this transition and beyond.

Thank you for your understanding, continuous support, and trust in my services. I value our journey together, and I look forward to continuing to work together under this new structure.

Warm regards,

Liz
