## Martelli 10" x 30" Strip Ruler: Achieve Perfect Strips with Precision and Ease

Introducing the Martelli 10" x 30" Strip Ruler, a game-changer for quilters and sewists looking to cut perfect strips and guides effortlessly. This ruler is meticulously designed to offer accuracy, convenience, and durability, making it an essential addition to your quilting toolkit.

### Features:

- 15 Slots for Precision Cutting:** The ruler features 15 slots, each measuring 0.5 inches. These slots ensure that you can cut perfect strips every time, whether you're working on bindings, sashing, or creating intricate quilt designs.
- Generous Size:** With dimensions of 10 inches by 30 inches, this ruler provides ample length for cutting longer strips without the need for repositioning. It's the width of a fabric bolt, making it perfect for cutting full-width fabric strips with ease.
- Non-Slip Material:** Crafted with Martelli's patented non-slip material, the ruler stays securely in place during cutting. This feature reduces the risk of errors and enhances safety, allowing you to work with confidence.
