

Vendor Spotlight: Wool & Dye Works

Wool & Dye Works is bringing an array of hand-dyed treasures and unique wool creations to the Cheshire Quilters' Guild Quilt Show 2025. Whether you love wool appliqué, felting, or simply working with rich textures and colors, you'll find something special at their booth.

For the show, they've prepared bundles of *hand-dyed sweetheart squares* (7") and *layer cake bundles* (10" squares), perfect for your next quilting or appliqué project. Curious about felting? Their *needle felting sampler packs* are an easy and affordable way to give it a try without investing too much up front.

They're also offering *bags of pre-cut wool pennies* in three handy sizes— $\frac{3}{4}$ ", 1", and 1½"—priced at just \$5, \$6, or \$7. Ideal for penny rugs, appliqué, or embellishments, these pre-cut shapes make creating a breeze.

For stitching, don't miss the *Moire wool thread*, which works beautifully for wool appliqué, mending, or even delicate Irish crochet flowers. And for those looking for something extra special, Wool & Dye Works has handcrafted *wool shoulder bags* made especially for this event.

Be sure to stop by and meet the makers of Wool & Dye Works in person at the Cheshire Quilters' Guild Quilt Show 2025. They'll be delighted to show you their newest creations, answer questions, and help you find just the right materials or finished pieces to spark your creativity. Who knows—you might discover a new favorite technique, project, or treasure to take home!
