

Cairo Eubanks

About Cairo

Cairo Eubanks is a dynamic professional speaker and experienced curriculum designer with over 15 years in the field. She excels in crafting engaging experiences as a speaker, moderator, and host, ensuring high-level audiences are captivated while advancing the goals of their clients. Cairo is the visionary behind **Bringing the Globe**, an ed-tech platform dedicated to creating online content and curriculum focused on leadership development, advocacy, and cultural exchange for parents and teens. With notable achievements as a Keynote Speaker and Moderator at international workshops and conferences, including representing the *United Nations Department of Global Communications*, Cairo's mission is to empower individuals as global citizens by providing accessible programming and platforms that foster empowerment, access, and opportunity. Recognized for her efforts, Cairo was honored with the **2022 Young Pacesetter for Africa Development award** on Africa Day at the *United Nations*.
