The image is a map or land survey diagram. It features a large, irregularly shaped green area that occupies most of the frame. This green area is bordered by a yellow background. A blue wavy line, possibly representing a river or a boundary, runs along the top and right sides of the green area. A small yellow dot is located within the green area, near the center. The text 'SE31 53-3-4' is printed in blue next to this dot. The map is divided into sections by black lines, and a red line is visible on the right edge.
