A workshop is planned for a quilt called Drop Diamonds. There is a video on Jordan Fabrics website that you can watch. You will need to order a pattern. It is a Cozy Quilt Design, which you can purchase from Jordan Fabrics. It is also for sale from Amazon, Etsy and Ebay and I think Cozy Quilt has a website, too.

The pattern shows that it can be used with a jelly roll, but I cut 2 ½" strips from assorted fabrics for my quilt. The pattern includes fabric requirements for Baby, Throw, Twin, Queen and King quilts. Good idea to have your fabrics cut ahead of time, but cutting stations will be available, if needed.

As usual, bring your fabrics, pattern, sewing machine & usual sewing supplies, extension cord, seat cushion if desired. Pack your lunch and beverages. Hot Tea and Coffee provided. Sign up available at August picnic. A donation per person will be collected for the fire hall.
