

Jelly Roll Twist

Workshop – Sat. Feb. 12, 2022

To make a quilt approx. size 46 x 52 or a little larger,

You will need: 39 jelly roll strips (or make your own strips 2 ½ inch x 42 inch) Borders can be added later.

You will also need a square ruler, either 7 inch or 7 ½ inch.

If you want to purchase, I suggest Omnigrid Omnigroup 7 ½” square ruler OR Creative Grids Quilt Ruler 7 ½” square.

If you prefer, I can provide plastic guides at the workshop which can be used with your regular cutting ruler.

At Home Prep Work: Sew 13 sets of 3 strips together.

Bring to Workshop:

Sewing Machine with basic supplies;

Cutting Mat & Rotary cutter;

Your regular cutting ruler (should include 45 degree Angle marking;

Thread color you want to use;

Extension cord(s)

Your lunch and beverage

A square 7” or 7 ½” ruler (if you have)

If you have: bring small ironing table and iron for next to you
