Quilt size finished 61”x 73”

Block Size: Finished 12”

Step Five

All pieces should be cut and labeled: Label your fabrics as darkest, #1, #2, #3, #4, light, medium and accent, to keep the fabrics straight in your own mind. Label all the pieces you cut A, B, C, D, E etc. and set aside.

- Place one (B) square of your medium-colored fabric atop background print #4 (C) rectangle, with right sides facing. Stitch diagonally from corner to corner as shown in diagrams.
- Trim $\frac{1}{4}$ ” beyond stitching, press open to reveal rectangle.
- TIP: Do not cut away the background rectangle, only trim the extra piece away in the middle. Leaving the rectangle in tact will give you an extra fail safe, just in case your triangle does not come out with square corners.
- Repeat for the opposite end of the rectangle to complete one Flying Geese Unit. Make 40 Flying Geese Units.
