

Mystery Quilt 2021-2022

“Stars and Stripes”

Quilt size finished 61”x 73”

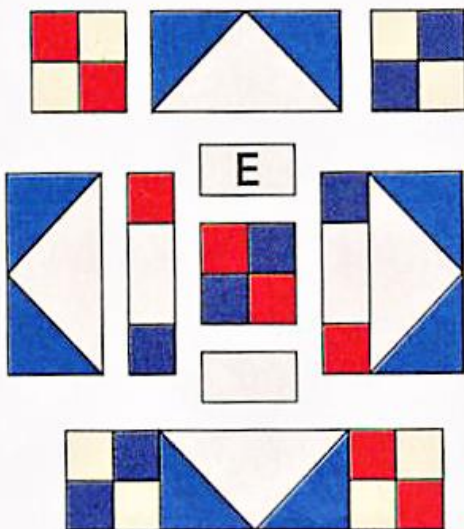

Block Size: Finished 12”

Final Steps

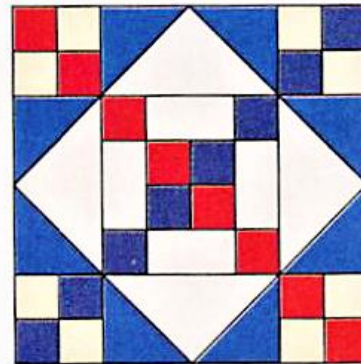

All pieces should be cut and labeled: Label your fabrics as darkest, #1, #2, #3, #4, light, medium and accent, to keep the fabrics straight in your own mind. Label all the pieces you cut A, B, C, D, E etc. and set aside.

You have made all the units that are required to put the secondary block together, it is now time to make the Stepping Stone Block.

Lay out 5 Four Patch units, 4 flying geese, 2 background print #4 rectangles (3 ½' x 2”), 2 units (long rectangle unit with squares sewn on either end). Join into sections; join sections to complete one Stepping Stone Block. Be sure you are using the correct four patches in the correct placement. **The red in the diagram is your accent color. Make 10 blocks.**

Quilt Assembly

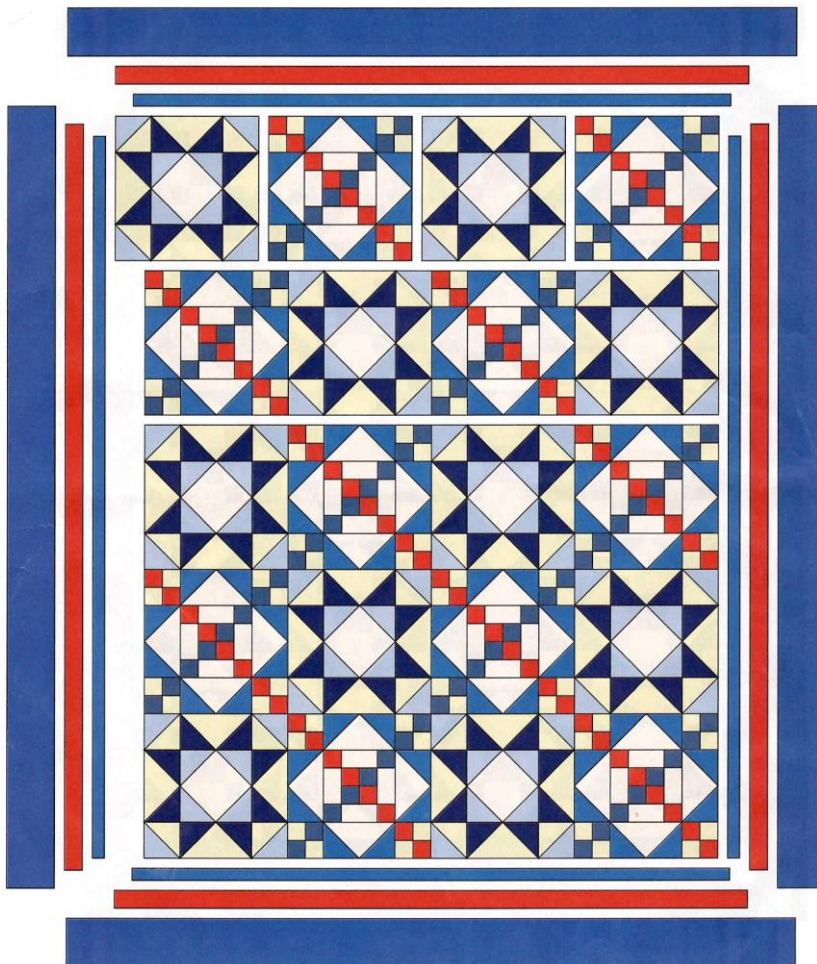

Lay out blocks as shown in Quilt Top Assembly Diagram. Join blocks into rows; join rows to complete quilt center.

Add medium colored fabric (1 ½" strips) to the sides of the quilt center. Press and trim, add strips to the top and bottom of quilt.

Repeat with accent fabric middle border and dark print outer borders.

As with any quilt, it is entirely up to you whether you add three borders, two or just one larger border. This is your quilt.

**Thanks for participating and we hope to see all the finished quilt tops
OR finished quilts at the August picnic.**
