

## May Block of the Month

### LeMoyne Star

Red, blue and white- 10 ½" block

Members should use their own fabrics.

Cut- Four 3" squares white on white

Four 3 ¾" squares white on white

Four 3 ¾" squares red

Four 3 ¾" squares blue

Use the half square triangle method of drawing a line diagonally. Sew ¼" on either side. Cut in half on the line. Square off each ½ square triangle to 3". Trim off the dog ears.

Using the 3 ¾" squares make 2 sets with red/white, 2 sets with blue and white, and 2 sets with red/blue.

Layout the squares and ½ square triangles as in the picture. Sew each row together. Press the seams for each row in opposite directions. This way the seams will nest together when you sew it together.

Completed block should measure 10 ½"
