**Thank you for your help in covering our
local Veterans and Service Members!**

Quilt Top w/o Borders = blocks 4 across by 5 down

Quilt Top w/o Borders: Approx size: 49 x 61.25

Border #1

1. Measure the length of your quilt, taking the measurement down the center.
2. Measure the width of your quilt, taking the measurement across the center.
3. Write these measurements down.
4. From coordinate fabric prepare two side borders 3-1/2" X length of quilt.
5. Sew side borders to quilt.
6. Using the width measurement from step 1, make two border pieces 3-1/2" X width measurement. Sew a 3-1/2" contrast square to each end of top and bottom border. Sew borders to quilt.

Border #2

1. Measure the length of quilt through the center of the quilt. Prepare two side borders (from contrast fabric) 1-1/2" X length measurement; sew these borders to the sides of your quilt.
2. Measure the width of your quilt across the center of the quilt, edge to edge, including the side borders in your measurement. Prepare top and bottom borders (from contrast fabric) 1-1/2" X width measurement; sew these borders to top and bottom of your quilt.

Repeat Steps 1 and 2 from Border #2 using Feature fabric, cutting borders 4-1/2" X length, then width of quilt.
