## President's Message:

It's May and spring is finally here! Now we can start thinking of beautiful spring colors for our quilts – buttery yellows, precious pinks and soft, fresh greens. Even when combined in a modern pattern or layout, this combination just yells “spring!” Not much time? Put together a square and make it into a pillow!

Guild board members met on April 22 and we got a lot done. After reviewing the list of items remaining in storage, we decided on what to keep and what to get rid of. Don't worry, members, nothing of value or significance is going to be trashed. For example, all the photos in the albums have been transferred to disk. Items that may be useful for a future quilt show are being kept. If you have any questions, call or email me.

We're also discussing the possibilities of holding a smaller quilt show starting with location and size of the show. There are a few ideas that we're thinking over. An ad hoc committee has been formed to gather information for the guild to hold a retreat. Information on the Kutztown Folk Festival quilt auction is being collected. You are invited to share your ideas with board members.

The Guild calendar is pretty much full through the end of 2015. Speakers, quilt shop visit, picnic and much more! Do you find it hard to get to your quilting? Schedule some time for creating – put it on your calendar – make a date with yourself, your needles or your sewing machine. Don't neglect your creative spirit – it needs to be fed!

Keep on Stitchin'  
Lois

## Minutes: General Meeting: 04/01/2015

The meeting was brought to order by President Lois Kirkwood at 6.30pm. Twenty eight members present, one new member guest, Janella Macbeth.

The meeting started with Jane Maughan speaking about the benefits of paper piecing and also about sewing seams by hand verses machine sewing. Carol Doak's video was played "Mastering Foundation Paper Piecing". Jane showed the blocks in the kit and suggested that members try to do the square within a square block first. Jane then went through the directions on how to get started. Members proceeded to sew. At 7.30pm the members were asked to take refreshments.

The Secretary's Report as printed in the newsletter was approved by Judy Mehl and seconded by Barbara Ebert. The Treasurer's Report as printed in the newsletter was approved by Rose Frailey and seconded by Donna Conto. All members were in favor.

Jane Maughan, Vice President, reported that at this time she did not have a program for the May meeting. She is arranging speakers for up coming meeting, with exchanges of emails. In May and June we will have a speaker at guild. July we will be taking a road trip to the Countrie Quiltery in Effort. Bring a lawn chair to sit on. If it rains, we will not have time outside. Directions and information will be in an upcoming newsletter. August meeting the picnic will be outdoors at Mountain View Park. Guild will provide charcoal, buns and hot dogs and also greens for salad. It will be at pavilion one which will entail no walking for members. Please bring two cups of toppings for salad. If it is raining then we will be having it inside as the library will still be available. Jane will be setting up a phone tree to co-ordinate with members who do not get the newsletter by email, so we can let everyone know where the meeting will be.

The members who participated in the challenge showed their quilts and spent some time talking about them. Lois Kirkwood announced that we had a lot of catalogs from the show and asked everyone to take one. Members who did not sign up to do the PHD challenge were given another opportunity to sign up. The pieces were shown and photographed.

**Celebration Quilts:** Sheri Seip presented Andrea Gullion a 1930's fabric table topper, in celebration of her wedding.
