President's Message:

Hello Quilting Friends,

Fall has finally arrived – the temps have dipped accordingly. Get out those fall fabrics – burnt orange, copper, rusty brown, golden yellow – and stitch up a table runner for the season! Or maybe a set of coasters – easy peasy!

I want to thank everyone who stepped up and volunteered to head or work on a quilt show committee. You'll see the list at the end of this newsletter so you'll know who to contact to donate an item, your time or your talent. Don't forget to keep those fingers stitching – we'll need quilts for the show!

At the October meeting, we're going to hear about ideas for our own very first quilt retreat. I just attended my first retreat at the end of September. It was great! So great, in fact, that I've signed up to attend three more. I don't remember when I last stitched so much, laughed even more and met so many like-minded women in one place. Everyone was so friendly and helpful and sharing – good will all around.

I want to remind you that "A Quilter's Day Out" hosted by Mountain Laurel Quilter's Guild is being held on Sunday, November 15 at Shawnee Inn & Golf Resort. \$35 per person. Spaces are filling up fast – see me at the October meeting if you want to attend but haven't signed up yet.

Our annual Christmas dinner is not that far off. Remember the Cup of Kindness swap we did last year? It was so popular that many members asked if we could do it again this year. So I'm going to ask for a show of hands at the October meeting – how many of you would like to have it repeated?

You still have UFO's, right? In January or February (to be announced), we're going to

repeat our UFO/PhD (PhiniseD) project. I just want to give you a heads up on it so you can think about what to work on and I'll repeat this message so you don't forget.

Keep on Stitchin', Lois

October 7: Gretchen Gibbons

Our October 7th speaker is Gretchen Gibbons of Celebration of Life Designs. Gretchen will present a lecture and trunk show of her own quilt journey, ending with her experience working with wool appliqué. Gretchen is an avid quilt designer, teacher and author. She combines wool and cotton in her quilts and patterns, bringing fresh looks to traditional designs. She will bring wool pieces, patterns, quilts and books for sale. To learn go to www.gretchengibbons.com.

November 11: Ornament Workshop

At our November meeting we will be making a Christmas ornament. Samples will be available to view at the October meeting and a sign up sheet will be provided. The kits will be \$3 and will include written instructions and all the materials and trim needed to make the ornament, including the threads. Photos of the samples will be up on the website by mid-October. The ornament is made of wool and resembles an ice skate. Members making the ornament will need a basic sewing kit, including pencil or chalk marker, scissors and a darning needle. A thimble is recommended.

New Meeting Dates for 2015: November 11 and December 2.
