

# Pieced flower Block

## March Workshop 2026

Members will need two 6 ½” squares of a floral print and two 6 ½” squares of a coordinating tone on tone fabric. Use colors pink, blue, yellow, purple or teal. No green as that will be used in the sashing. The guild will provide the 2 ½” squares of white fabric for the corners.

This is a simple block. On two opposing corners of the 6 ½” squares place a white square with a line drawn on the diagonal. Sew on the line and trim to ¼”. Press towards the color fabric. Sew the four sections together as shown in the diagram. Match the center seam exactly.

At the workshop we will assemble the quilt top by adding a green and white sashing.
