WHAT'S HAPPENING IN THE HUNTER

HOME IN PLACE

Home in Place's commitment to social, environmental and economic sustainability is evident in the way we do business and in our leadership in advocating the implementation of the United Nations New Urban Agenda (NUA) and the Sustainable Development Goals. Following Home in Place's participation in the United Nations Habitat III Conference in 2016 where Australia and other member nations committed to the NUA, a 20-year road map to manage how we plan and live in cities, Home in Place has continued to advocate for NUA implementation in Australia and across the Pacific Region.
