Thank you

to all who supported our Annual Christmas Concert at Moravian School. The students and teachers presented selections in drama, dance and song, with color, rhythm and joyfulness. We had a good time together. It was another moment to be proud of the creativity, talent and potential of our students and teachers. We express a special thank you to our technical support team from the Memorial Moravian Church. A Caribbean Flavored Christmas to all and a prosperous and healthy new year.

What's Caribbean about Christmas? Answer: the music, the sorrel, the black cake, sweet bread, hog head, ham, guava berry... So, live good, love God and infect all around with laughter and good will... Remember the message of Christmas as recorded in the Gospel of Luke 2: *Do not be afraid! Christmas is God's announcement of good news that brings great joy to all. Then let us give glory to God in the highest and on heart let there be peace and good will amongst us all. Merry Christmas!*

Moravian School Intermediate Spelling Bee Competition takes place on Wednesday, December 12, 2018, beginning at 9:00 am. The winners will represent the School at the VIDE District level in the early part of 2019. Let's support our students and encourage their best.

A Generous Gift

Faithful giving leads to joyous living, and it is ever so true. God loves a cheerful giver and at Moravian School we do too. So we wish to publicly acknowledge a most generous gift to the Moravian School and the new Moravian Multipurpose Education Center. The gift was given by Sis. Mona Mingo in memoriam of her husband Dennis Mingo. Sis. Mingo, we say thank you, ever so sincerely and with abiding fondness.

 Thank You!

CHRISTMAS BREAK

The last day of School is Friday, December 21st. It is a half day. School reopens in the New Year on Tuesday, January 08, 2018. There will be no After School on this day, as there will be a Staff Meeting. Shortly after returning, there will be Mid-Term exams and review.

Parents/Guardians have the option of PayPal to make tuition payments. This is convenience that has a service charge of 3% on any transaction you make. This 3% charge must be taken into account in choosing this option. The cost and benefit analysis may lead to the conclusion that the convenience is worth it or that 3% service charge may be better than a \$50.00 late fee. Of course, all such online payments must be made by the 10th of each month that the tuition becomes due. If not you may have both charges added to your account. The choice is yours, we hope you find this provision useful. Use it wisely. It holds a lot of good. Call the office for additional information or go online and learn about the benefits of a PayPal account.
