Registration is not complete until the registration fee and the tuition and/or first installment is paid. Students who are not properly registered cannot attend classes. **The registration fee is not refundable or transferable. No part of the tuition WILL be refunded after your child has been enrolled for forty-five days (45) of the academic year.**

The tuition is an annual rate. Parents may elect to pay tuition in full, semi-annually, or monthly installments. The monthly installments are based on the annual rate spread over ten (10) months, with the first installment submitted at the time of registration. **Except the 1st monthly installment which is due by August 15th, the second and all other monthly installments are due on the FIRST day of each month, beginning in September and ending in May.** Tuition must be paid on or before the 10th of each month. **A late fee of \$50.00 will be charged after the 10th of the month.** If the 10th falls on a weekend or holiday tuition must be paid promptly on the next work day to avoid the late fee. If the tuition remains delinquent up to the 20th day of the month, the child **MUST** remain at home until the tuition is paid. **A fee of \$50.00 will be charged for checks that are returned. This is in addition to the late fee that is charged if the payment is not received by the 10th of the month.**

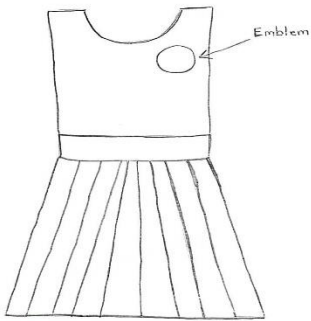

Please make every effort to register your child(ren) on time. This will enable us to make adequate arrangements for staffing and to provide additional accommodations for students where necessary. Spaces are available on a first come basis. Spaces will not be held for students who do not register on time or whose registration is not properly completed. Please complete and submit all required information.
