100 RAINBOW WORD FLASH CARDS

RAINBOW WORD FLASH CARDS

Dwayne Douglas Kohn

This series was designed to teach the 100 most common words in the English language in a fun way! The first 100 words are divided into SIX color levels based on their difficulty. One-letter words (I, a) are in the RED level along with the easier two-letter words. The phonetic three-letter words appear in the ORANGE level and more difficult three-letter words show up in the YELLOW level. The GREEN level introduces four-letter words, many with the silent "e" and many with the "th" sound. The BLUE level features more challenging four-letter words and the PURPLE level contains the most challenging words of all. It turns learning into a game!

Photocopy the reproducible RED level black and white pages for the students (2 pages). Say one of the words and have the students look for the word on their pages. Once they find it, they color it in.

Continue until all the words on both pages are colored in. Cut the cards apart and send home for practice. Once the student is able to read all of the words on the RED level, continue with the ORANGE level. It is so easy!

We have included a certificate to reward the students once they are able to read all 100 words!
