Received from Shelby Francom via email on March 31, 2023:

Thank you for sharing the SpaWell special with the HOA's as we want to ensure they are aware of the offer. We are having live entertainment through Memorial Day on Wednesday nights in Epazote that pairs with our Prime Rib – 3 course dinner offer. Reservations can be made through Opentable for Epazote and they are highly encouraged to ensure seating preference and dining time.

We do have our HOA Membership available for 1 month, 3 month, 6 month or annual membership for those interested they can speak with Bekah Taylor who is our Director of Activities/Adventure for details and a full understanding of the benefits. We currently have about 30 active memberships for those living in the neighborhood.

We do not offer a neighbor or HOA preferred rate currently, but of course if there is a need please reach out so that we can see what our Occupancy and current Best Available Rate is and see if there an opportunity to discount this.
