Tim Ryan currently is Representative of the US House District 13 which covers portions of Mahoning, Trumbull, Geauga, Summit, and Portage. He was first elected to that position in 2002 and has been re-elected nine times. He is a native Ohioan, born in Niles, and currently lives in Howland with his wife and three children. He obtained a BS in Political Science from Bowling Green University and a law degree from New Hampshire School of Law.

In the US House, Tim serves as a member of the Appropriations Committee and is Co-Chair of the Congressional Manufacturing Caucus. During his time in the House, he has championed issues relevant to working families, opposed unfair trade deals, pushed to raise wages, and worked to secure Medicare and Social Security.

Specific to nursing and health care, Tim has:

Helped pass and protect the Affordable Care Act which expanded Medicaid coverage to nearly one million Ohioans and helped key rural hospitals stay open;

Has advocated for addiction and recovery care to address the opioid crises;

Supported stronger work place protections and hazard pay for nurses and health care professionals during the COVID-19 pandemic;

Focused on rebuilding the supply chain for PPE;

Supported nurses and other workers in contract negotiations for receive fair compensation and working conditions;

Supported provision of wrap-around support and trauma care for nursing staff suffering from burn out;

Advocated for decreasing health care costs.
