Capital Campaign

Derby Historical Society & Museum is a 501c(3) non-profit corporation and contributions are tax-deductible.

Derby Historical Society & Museum is proud to have been preserving the history of Derby and the surrounding area for more than 30 years. We provide family-oriented fun and education for the community.

**The matching feature of our capital campaign was achieved by June 1, 2026.
“Thank you very much” to all who helped us reach that intermediate goal.**

That portion of the campaign, along with previous fundraising efforts, provided \$600,000 for the improvements that are currently underway and gets us much closer to the overall goal of the campaign, which was originally set at \$800,000.

Additional contributions to the campaign will provide funding for:

- Any unforeseen requirements that might arise from improvements that are underway
- Future improvements and expenses, since the museum is only funded by donations and fundraising efforts (no tax levies)

All contributions...any amount...will help us reach the overall goal.
