Matching gift **Capital Campaign**

Now through June 1, 2026

Derby Historical Society & Museum is a 501c(3) non-profit corporation and contributions are tax-deductible.

Derby Historical Society & Museum is proud to have been preserving the history of Derby and the surrounding area for 30 years. We provide family-oriented fun and education for the community. The goal of this campaign is to provide much-needed updates for our historic 100-year-old building.

An anonymous pledge has been made to match the first \$200,000 of contributions.

That will provide at least \$400,000 and get us halfway to our goal of **\$800,000** for the campaign.

The campaign will provide funding for:

- Updates to the building's electrical system
- A lift to provide easy 2nd-floor access for visitors
- Heating and air conditioning to provide a better environment for visitors and for artifacts
