BARKS & MEOWS

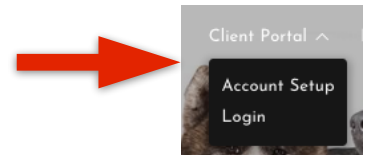

Our Website Look & Feel

Our Housebound Hounds website is getting a makeover within the coming week. **(Note: Time To Pet is NOT changing)**

All the same helpful information will be there as well as the Client Portal to access **Time To Pet** in the

menu bar at the top of the page.

Summer is almost here... .

Believe it or not we are already getting pet sitting requests through August. If you have a summer vacation planned or have yet to plan one we would LOVE to take care of your fur kiddos for you. We have in your home pet sitting available plus overnight pet sits!

Refer a Friend- If someone you refer books \$100 or more in pet sitting you get \$25 credit towards our services.

EVENTS

1st Annual Pup-Picnic - TBD We are still waiting for it to feel like spring but are tentatively planning for May. We will announce the date in mid-April.

Did you know we are expanding?

If you follow us on Facebook you have probably noticed HR hard at work filling positions so that we can add more neighborhoods within the Omaha area. As you know, we don't just hire anyone to care for your fur kids. An extensive hiring process to include background checks and training is required. If you know anyone that you trust, loves pets and enjoys exercise please have them apply on our website.

P.S. Follow us on Facebook or Instagram and share us with friends

Springtime Safety Tips

It's spring!!!! and we are getting excited for the beautiful weather, the change in season, opening up the house and being outdoors. Before you jump into the season be sure you're checking potential springtime hazards for your fur pets.

- Keep the poisonous flowers, easter basket plastic grass and candy in check
- Check your screens, some of our pet kiddos (especially our kitties) will jump right through
- Buckle Up and consider car riding safety when driving with your pup.
- It's Heartworm, Flea and Tick prevention time
- Check with your lawn care provider and ensure their products do not harm your pets
- Home improvement products can be toxic- keep out of reach
