

## **2024 CWA Bargaining Update #7**

The CWA/AT&T Southeast Bargaining Team will be in caucus to review and research Company proposals this week, July 1- July 5. While we will also be celebrating Independence Day on July 4<sup>th</sup>, we are expecting plenty of fireworks ahead as we continue to work hard towards obtaining a fair and just contract for our members. We wish everyone a safe holiday and ask that you continue your mobilization and organization efforts to help us Fight for More in 24!
