CORE PRINCIPLES:

BEIRUT FILM SOCIETY abides by the 6 core principles on Sexual Exploitation & Abuse:

- PSEA by humanitarian workers and related personnel constitute acts of gross misconduct and are therefore grounds for disciplinary actions and/or termination of an employment contract within the applicable and current regulations.
- Sexual activity with children (persons under the age of 18) is prohibited regardless of the age of majority or age of consent locally. Mistaken belief regarding the age of a child is not a defense and in no way shall ignorance of the age of the person be accepted as a justification.
- Exchange of money, employment, goods, or services for sex, including sexual favors or other forms of humiliating, degrading or exploitative behavior is prohibited. This includes exchange for assistance that is due to community members.
- Sexual relationships between humanitarian workers and members of the community are strongly prohibited since they are based on inherently unequal power dynamics. Such relationships undermine the credibility and integrity of humanitarian work.
- When humanitarian workers or related personnel develop concerns or suspicions regarding sexual abuse by an individual, whether the individual works for BEIRUT FILM SOCIETY or other organizations, partners, suppliers or other related stakeholders, they are mandated by a legal and moral duty of care. They must report such concerns through the means and tools available within the association's reporting mechanisms. The management must be informed about all the concerns and suspicions, including rumors, in good faith, regarding SEA.
- All humanitarian workers are obliged to create and maintain an environment that prevents PSEA and promotes the implementation of the Code of Conduct. Managers at all levels have particular responsibilities to support and develop systems which maintain this environment.

PREVENTION:

To prevent and mitigate the risk of SEA, **BEIRUT FILM SOCIETY** commits to:

- Ensure robust recruitment screening, vetting and referencing process for all personnel, particularly for persons who will have any direct or indirect contact with children by emphasizing clauses on PSEA throughout the employment cycle including job advertisements, job descriptions, performance contracts, written and verbal interview questions, and by carrying out thorough employer and professional references, background, and police checks.
- Ensure all new and existing employees sign BEIRUT FILM SOCIETY's Declaration Statement which is part of BEIRUT FILM SOCIETY's PSEA Policy. The acceptance of the PSEA Policy by signature of this declaration form is a condition for undertaking any relation with BEIRUT FILM SOCIETY.
- Have clear and concise policies on SEA and sexual violence in the workplace written in languages that can be understood by everyone in the organization, implementing partners, and the public, clearly indicating who it applies to and consequences of violation.
- Provide a Code of Conduct that establishes, at a minimum, the obligation of all the

staff and collaborators not to exploit, abuse or otherwise discriminate against community members and consequences for violations are in place and duly known to the intended recipients.

Provide training sessions on SEA and PSEA in the workplace for new staff and refresher trainings for existing staff which recognizes and responds to risks and concerns at regularly scheduled intervals.

REPORTING MECHANISMS:

BEIRUT FILM SOCIETY commits to:

Develop a diverse, gender sensitive, confidential and culturally appropriate complaint and reporting mechanism for cases of SEA from the field and within BEIRUT FILM SOCIETY for different audiences. All grievances are treated with utmost confidentiality. Procedures in place would encourage people to report on concerns without fear of reprisals or victimization at the organizational and community level. This would include:

A-Any BEIRUT FILM SOCIETY employee who may have suffered sexual exploitation or abuse at work by anyone, including supervisors, co-workers or visitors, should first clearly inform the harasser that his/her behavior is offensive or unwelcome and request that the behavior stop immediately.

B-If the behavior continues, the employee must immediately bring the matter to the attention of his / her supervisor or the Human Resources Coordinator.

C-If the Executive Director or the Human Resources Coordinator is involved in the matter, it should be reported to an assigned Board Member, who will take the matter further for appropriate investigation and necessary remedial action immediately.

D-If the alleged behavior involves any types of threats of physical harm to the complainant, the alleged may be suspended with pay. During such suspension, an investigation will be conducted by BEIRUT FILM SOCIETY. If the investigation supports charges of sexual exploitation or abuse, disciplinary action against the alleged will take place and may include termination and or involvement with local or national authorities responsible for conducting investigation of SEA allegations.

E-If the investigation reveals that the charges were brought falsely and with malicious intent, the charging party may be subject to disciplinary action, including termination.

Ensure that members of the community and staff know where and how to report cases of SEA and of the appropriate assistance they can expect to receive in both national and international programs.
