About Us...

Since 2008 when the brothers Kent, Blake and Mark started a business based on integrity and hard work, Brush Brothers built a reputation for being on-time and on-budget. Our growth in the residential and industrial space reflects hiring the best, quarterly training, and an organization-wide commitment to being the best. We strive for excellence both in the results and in the customer experience.

Interiors

Repairing, refurbishing and protecting walls, ceilings and floors. Whatever your application, we have you covered!

Functional Coatings

Roof sealants, flame retardants, epoxy flooring, chemical barriers, waterproofing, and other specialty coatings.

Exteriors

Natural or man-made, we know how to restore, prepare and protect your surface to get the very best results.

Structures

Pipes, valves, railings, storage tanks and parking lots all need different treatment. Trust BBP to get you the best results!
