## MARCH, 2022

Firearms are tools we hope we never need and like other tools we do use, one size does not always fit every situation. So as you may have heard before "Guns are like potato chips, it's hard to just have one" When it comes to concealed carry different situations many times call for a different presentation, meaning a different gun, holster and practice, practice, practice. Here is an article from Gun Digest that covers this very topic.

at Ben Avery Shooting Facility. [Click Here For More Info](#)

Next CCW Class is Saturday April 16<sup>th</sup> at [Reata Pass Auctions](#)  
in Humboldt, AZ.

This is two weeks before the spring auction and it's going to be  
"YUGE"!

Over 1000+ guns! That's right I said over 1000+ guns and much, much more. The first 14 lots are NFA Firearms! Bring a friend to class and preview the auction. They qualify for a CCW permit and you both get a jump on the competition.
