Merry Christmas
to Tom—from Mother and Dad

THERE'S A SAYING . . .
"You give the great outdoors when you give a gun!"

"WE WANT YOU to know and enjoy the great outdoors. We want you to build up the strength, health, resourcefulness and independence which outdoor living develops. You'll find hunting a sport which you can enjoy for the rest of your life. And more than any other sport, hunting will bring you and your Dad together in an even closer companionship. During the past century and a quarter, millions of American boys have been given Remington rifles as the first badge of their young manhood. This is yours."
