We hope everyone has a safe and enjoyable Memorial Day weekend. While we enjoy the freedoms of this great country please remember the men and women who make this possible. We offer a link to [a History channel story](#) on the origin and meaning of Memorial Day (I'm old enough to remember it as Decoration Day). So join us, at 3pm local time on Monday, for a moment of National remembrance for all those that gave the ultimate sacrifice.

Arizona is a mandatory minimum sentencing state for firearm related incidents so it is imperative that we asses the threat correctly in a matter of seconds.

Most of us are not training for this so we need all the help we can get.

Hopefully this article by Shawn Vincent lends some insight.
