Here Is A Link To An Article For CCW Safe By Shawn Vincent (we have no affiliation with CCW Safe) This Is A Great Place To Start Thinking About Defending Your Home And Your Loved Ones. In The Coming Months We Will Continue To Look At Home Defense Options.

Remember There Are 2 Rules Inside Your House...

We are currently looking for a space. We have several things we want to do to expand our class offerings, mostly things many of you have requested. In order to do this we need space. If you know of any buildings or space available for lease or purchase send us an email we would really appreciate it. That being said if you are part of a church group, scout troop, HOA, fraternal organization or want to sponsor a class of some kind for your employees or any reason you can think of let us know. We offer NRA refuse to be a victim “type” classes as well as basic pistol classes that are great for groups. We can also custom tailor a class just for you and your group at your location. We At Pixie and the Beard Try Not To Go Down The Political Dialogue Road In Class Or In The Newsletter. That Being Said What Has Transpired In The Past Few Months And Culminating In A Disgraceful & Disastrous Retreat From Afghanistan Is Purely Political And Was Perpetrated At The Highest Levels Where Incompetence Knows No Bounds. The Troops Did Their Part And Then Some, If Only Their "Leaders" Could Say The Same. This Is What Happens When You Vote Against Something (Orange Man Bad) Instead Of For Something (America), Because As The Saying Goes "If You Don't Stand For Something You Will Fall For Anything" Well, We Stand For The Flag And We Stand With Our Troops And We Offer A Heartfelt

We made a few changes to the web site, updated some links and offer some new info from some of our friends. Stop by and check us out at [pixieandthebeard.com](http://pixieandthebeard.com)
