

Skynyrd Nation was formed by a group of professional musicians who wanted to duplicate the true authentic sound of one of the greatest bands in the world, Lynyrd Skynyrd. Our show is a “Real Lynyrd Skynyrd Experience” and with our 9 piece band you will be transported back to the good ole days of Southern Rock-N-Roll.

The members of **Skynyrd Nation** are seasoned professional musicians who have played with national acts like Lady Gaga, Three Dog Night, Keith Urban, Brad Paisley, Good Charlotte, Joe Houston, Hotel California, Wicked Tinkers, and many others. From the inception, every member of Skynyrd Nation knew that this band was family from day one.

The songs we perform come from almost 6 decades of their music. When **Skynyrd Nation** performs we do it with passion and the enthusiasm that spills over into our audiences. The high energy is infectious creating an atmosphere of music that is intoxicating.

Skynyrd Nation has played in venues of all sizes, including festivals, theaters, clubs, private parties, and concert halls. We look forward to providing your venue and audience with a show that they will never forget.
