

Accent Neutralization Program

Prepared by Abhishek Sharma

Certified English Accent Trainer (London Teacher Training College, UK)

OVERVIEW & PURPOSE

Our Accent Neutralization Program delivers comprehensive training that prepares you for an exceptionally clear conversational English. Our program is designed to neutralize a native dialect and coach you in the art of crisp pronunciations. Each training session builds on the previous session as we progress through an in-depth study and practise of sounds, stress, intonation, and rhythm – and with particular emphasis on crisp and clear pronunciations.

BENEFITS

1. Greater self confidence and Better business relationships
2. Assurance your message is understood
3. Productive discussions
4. Maintain your audience's attention

EDUCATION STANDARDS

1. Program designed by experienced trainers with years of professional training experience.
2. Program delivered in the form of Skype teleconference.
3. We will identify the student's individual challenges and suggest most effective solutions.
4. Reachable by email for any followup questions the students may have.

VERIFICATION

Steps to verify student progress

1. Periodic progress evaluation sessions.
2. Periodic peer evaluations where students evaluate each other's progress.
3. Self assessment.
