

## GONE BEFORE

Rory Naysmith Mysteries, Book 2

*A murderer who doesn't leave a clue.*

Small-town detective, Rory Naysmith, thought he'd seen it all, but a young woman's brutal murder is especially hard to stomach. Doubly so, when he recognizes the murder's MO is identical to that of Tobias Snearl, the killer he put behind bars a decade before. His frustration grows after a series of senseless accidents plague those dearest to him, and a second woman dies. Searching for answers, Rory races against time, plunging deep into the murder investigations, drawing ever closer to becoming a casualty of the dark, angry deeds himself, until he finds no one is who they pretend to be—and none are beyond evil's reach.

### Praise for *Gone Before*

"...A mystery that will appeal on many levels. You have the classic detective, but you have an eager rookie. You have the layers of small-town life, but you have a big city-type conspiracy. [And] one can't overlook the simple value of a nice old cat. . ." *N.N. Light's Book Heaven Review*

"...Suspense starts on the first page maintains its level until very final explosive conclusion. Hoping to see more of these characters somewhere down the road. . ." *Booklover Review*

"... A good mystery filled with red herrings that kept me guessing. A mystery that I really enjoyed. . ." *LAS Reviews*

"... Quality characters with an exciting whodunit held on tight to the very end. . ." *Dollycas Reviews*

### About the Author:

**Terry Korth Fischer** writes mystery and memoir. Her memoir, *Omaha to Ogallala*, was released in 2019, S&H Publishing, Inc. Her short stories have appeared in numerous print anthologies and online magazines. Terry is a member of SinC, Pennwriters, Inc. and Clear Lake Area Writers. Transplanted from the Midwest, Terry lives in Houston with her husband and their two guard cats.
