Agenda

Focus Group Meeting

1. Discussion on various roles, bylaws needing updates, donations, updating mission statement and bylaws, creating a paid position for full time employees for further outreach in person, creation of curriculum, selling tools and content for study guide.

Vision and Current Topics

1. How is our health and welfare?
2. Sharing the Personal Bio of Board Members
3. Encouraging youth to learn about biotechnology and cybersecurity through educational narratives and peer reviewed articles, trusted websites, etc.
4. Discrediting and Discrimination
5. Curriculum Development for Bioinformatics and Ethics Certification for Law Enforcement and Healthcare Professionals
6. Seeking Funding through Federal Grants, obtaining UEID through Sam.gov
7. Adding services for those in need.

Notes

- **Health Issues (Getting worse for board member after 2 inoculations, one booster, 1 flu shot.) Possibility of need to replace members.**
- **Management of discrediting entities and discrimination of the nonprofit by those who either have market share interest in precision health, poor understanding of blockchain currency, or vesting interest in human trafficking.**
- **New avenues of outreach and services**
- **Obtaining EUID from SAM.gov for grants**
- **Adding paid positions for grant writing, accounting, etc.**
- **Page promoted and viewed with over 20,000 visitors.**
- **Accounting for the fiscal year.**

- Poor weather and schedules impacting events for environmental remediation efforts.

Next Meeting Agenda - To be determined.
