

# Meeting Minutes

CONFERENCE IN PERSON/CALL - 06/2025

## Attendees

All current board members on phone or in person

## Agenda

### Focus Group Meeting

1. Discussion on various roles, bylaws needing updates, donations, updating mission statement again, creating a paid position for full time employees for further outreach in person, exposing systems architecture, filing FOIA requests for Palantir and Federal Government overreach.

### Vision and Current Topics

1. How is our health and welfare?
2. Encouraging youth to learn about biotechnology and cybersecurity through educational narratives and peer reviewed articles, trusted websites, etc.
3. Countering discrimination, discrediting via education and advocacy.
4. Curriculum Development for Bioinformatics and Ethics Certification for Law Enforcement and Healthcare Professionals continuing.
5. Seeking Funding through Federal Grants for children's books and operations.
6. Adding services for those in need and exploited by the automated systems relied upon.

## Notes

- Health Issues (Getting worse for board members after 2 inoculations, one booster, 1 flu shot.) Possibility of need to replace members due to ongoing health struggles.
- Management of discrediting entities and discrimination of the nonprofit by those who are just not able to grasp the reality of technologies.
- New avenues of outreach and services
- Adding paid positions for grant writing, accounting, etc.
- Page promoted and viewed with nearly 30,000 visitors.
- Poor weather and schedules impacting events for environmental remediation efforts.

**Next Meeting Agenda - To be determined.**
