Friday July 14, 2023

It may be summertime, but things have not slowed down for us at Alberta Free. We have been in full swing over the past several weeks!

Our co-Founders, George Bears and Benoit Trudeau, were honored to be guest presenters on Vaccine Choice Canada's June 28 th webinar. (<https://vaccinechoicecanada.com/>) A big thank you to Ted Kuntz for the opportunity to share about Alberta Free with the many concerned citizens connected through this group. We are tremendously blessed by our association and collaboration with a wonderful network of freedom-minded partners and organizations.

The world class Calgary Stampede was a great opportunity for Alberta Free to engage in many productive meetings with the newly formed Cabinet. And of course, we couldn't miss attending the Premier's Stampede Pancake Breakfast on July 10 th !

We are continuing to make great progress on our Hydrogen & Diesel micro refineries and Bow Valley Credit Union projects and expect to have some exciting announcements to share soon!!
