- Be at least 21 years old
- Have knowledge and consent of all adults living in your household.
- Have verifiable identification.

So that we may be assured that the cat you wish to adopt will be best suited for you, your home, lifestyle, and be placed in an environment most compatible with its needs; please provide us with the following information. You will be contacted by a Snow Camp representative by either phone, text, or email within 1-4 business days after Snow Camp receives your application. We are all volunteers, please be patient. All our kitties are fostered in private homes. The feral kitties live at the Snow Camp Sanctuary.

Snow Camp offers a 2-week trial adoption period for you to decide whether our kitty is right for you and your household. We don't want you to keep our kitty if you are not falling in love with them, or if the kitty is not adjusting, please contact us.
