Hi John,

Thanks for sending over the deck on Anonymous Manufacturing. Based on what we reviewed, it appears to be a thesis match; while it's just shy of our \$10M threshold, the business looks healthy and growing, so we'd like to take a closer look.

To narrow in on exactly what we need for initial diligence, we use a short intake to collect information. By completing it (5–10 minutes), you will also receive a detailed Investment Readiness Report to help with your fundraising process regardless of our involvement.

Two options:

1. Complete the intake (5–10 minutes), and we'll get back to you soon thereafter. Note that you will be taken to the website of our partner, Y Capital, to complete the intake.
2. Book a 15-minute call if you'd prefer to walk us through a few points first.
