## HEKSA PLUS INTERIOR TRUCK BED CABINETRY SYSTEM

UPGRADE YOUR TRUCK FOR SUMMER ADVENTURES:

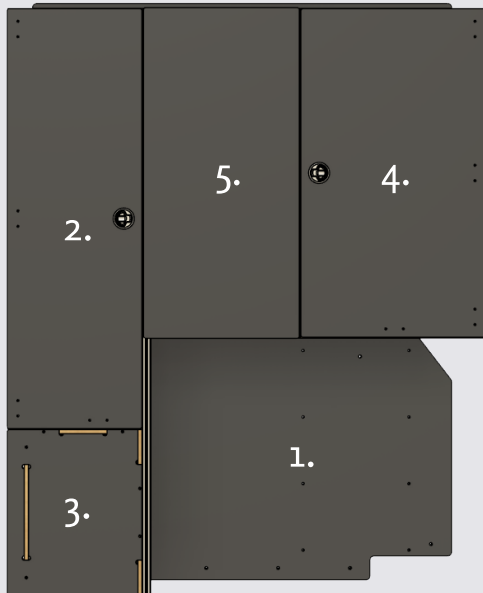

# What Makes the Heksa Plus System Stand Out?

---

The Heksa Plus system is crafted with quality and durability in mind. The cabinets are CNC-made from Riga birch plywood, with high-wear-resistant and anti-slip surfaces to ensure everything stays in place during your trips. The Fiberthane base plate is coated with a premium blend of polyurea and polyurethane, providing long-lasting protection and reliability.

# What's Included in the Heksa Plus System?

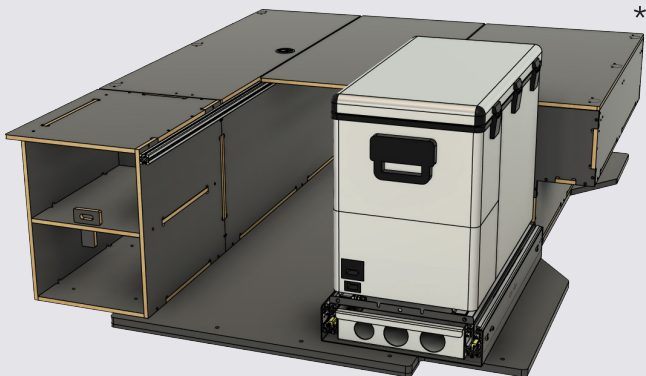

1. 1 x AT Fiberthane Bedliner-Coated Base Plate: A solid foundation for your entire system.

2. 1 x Driver Side Top-Loading Cabinet: Features a stainless-steel latch and gas spring lift for easy access. 4.65 ft<sup>3</sup>. (131 liters)\*

3. 1 x Driver Side Rear-Loading Cabinet: Comes with two Step 22 Stingray Flat Boxes to help you stay organized. 1.82 ft<sup>3</sup> (51 liters)

4. 1 x Passenger Side Top-Loading Cabinet: Also includes a stainless-steel latch and gas spring lift. 4.65 ft<sup>3</sup>. (131 liters)\*

5. 1 x Top Load Cabinet Spanning Platform: Extra storage space for your gear and a place to stretch out.

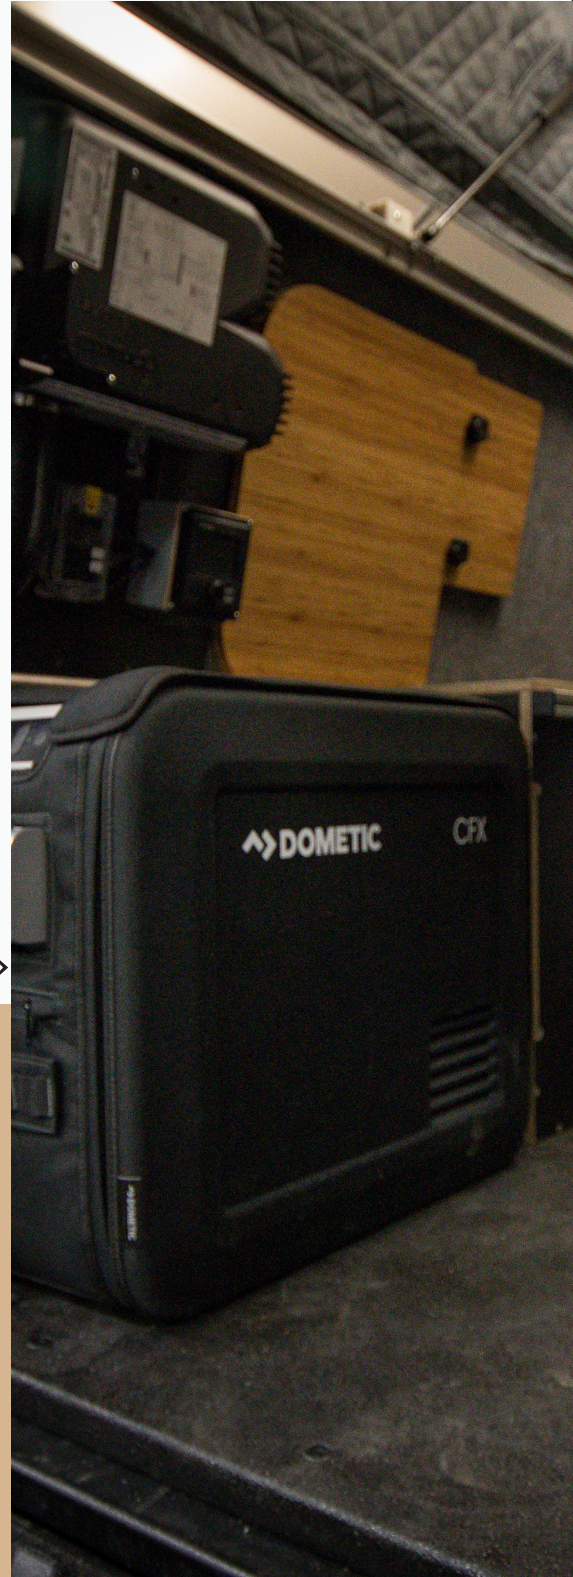

\*Model shown with AT Combo Slide and National Luna 50L Legacy Smart Fridge - Sold separately.

# Customize for Your Needs

Need more features? Whether you're interested in adding a fridge, slide, power source, or other accessories, we're happy to help you customize the system to fit your needs.
